This Is Knight Country

Knight Country means more than the land upon which Woodlawn High School is built. Knight Country is every city, state, and country where a Woodlawn knight can be found.

With its many athletic and service organizations, Woodlawn reaches out to the surrounding community and, with a spirit of Knighthood, strives to enrich the pride and tradition that Woodlawn represents.

Within the boundaries of Knight Country, one can find excitement of sports events, reverence of tradi-

tion, accomplishments of the past, and anticipations of the future.

This year a completely new organization has been added to Knight Country. The ROTC has organized a Scottish Band, consisting of dancers, bagpipes, and drums. This organization upholds the pride and tradition that have been an important part of Woodlawn High School.

The Scottish Band is the newest member of the ever-expanding territory known as Knight Country.

Small Enough To Serve Everyone

As students arrive at school each morning, they look forward to another day at Woodlawn.

Cheerleaders can be seen at every game, boosting the spirit and morale of the football team.

Proud Enough To Speak

Students expressed their spirit by decorating their cars for school on the day of Homecoming.

Humble Enough To Listen

Students pause for prayer at each pep rally at WHS.

Counselors serve to help students with their problems.

Mr. Cook discusses the new uniform for the ROTC Scottish Band with Robbie Fielder.

Tall Enough To Be Seen

Woodlawn is more than simply a building. To each student, Woodlawn has a special meaning. As a sophomore, one is excited with the new challenge of high school. In the junior year, a love for Woodlawn and its ideals continues to develop. By the time the senior year is reached, Woodlawn is a cherished part of the student's life. With its many clubs, organizations, and activities, Woodlawn offers to each student an opportunity to develop his skills and talents.

Because of the loyalty of each Knight who has passed through these hallowed halls, Woodlawn has been able to stand tall among the schools of our state. Its achievements in academics as well as in extra-curricular activities are impressive. Each Knight should have a special pride for having attended a school such as Woodlawn. This pride has made Woodlawn more than simply a building.

ACADEMICS

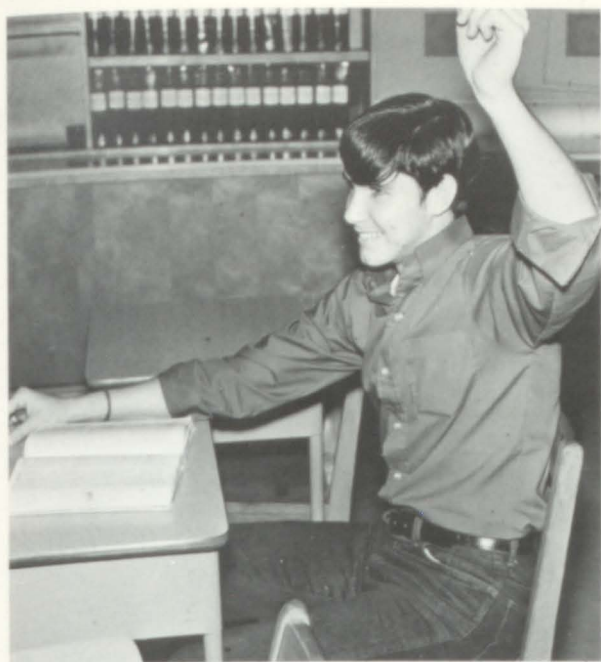

These civics students learn the basic structure of our government by answering questions from their textbooks.

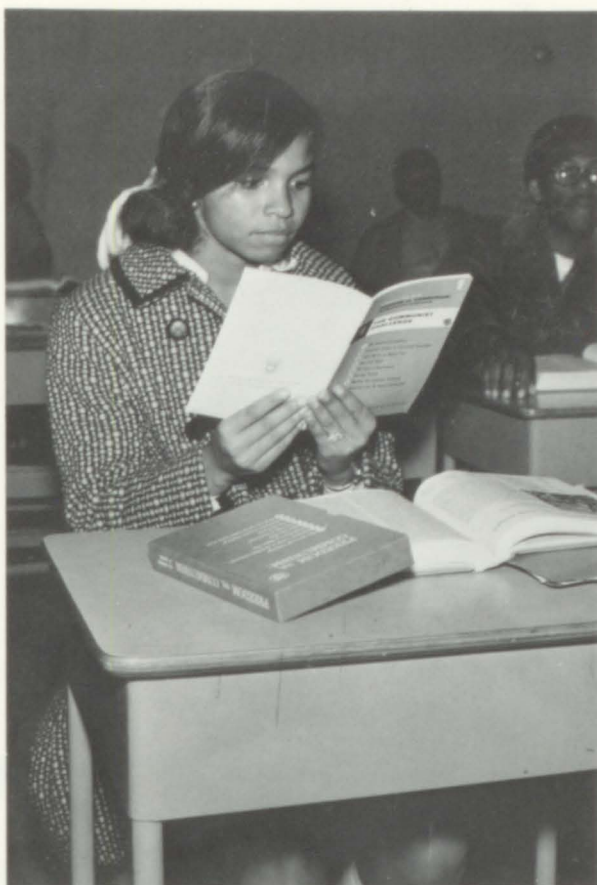

Discussions Of Events Motivate Interest

Dean Cooper points out a spot in South America for his world history class.

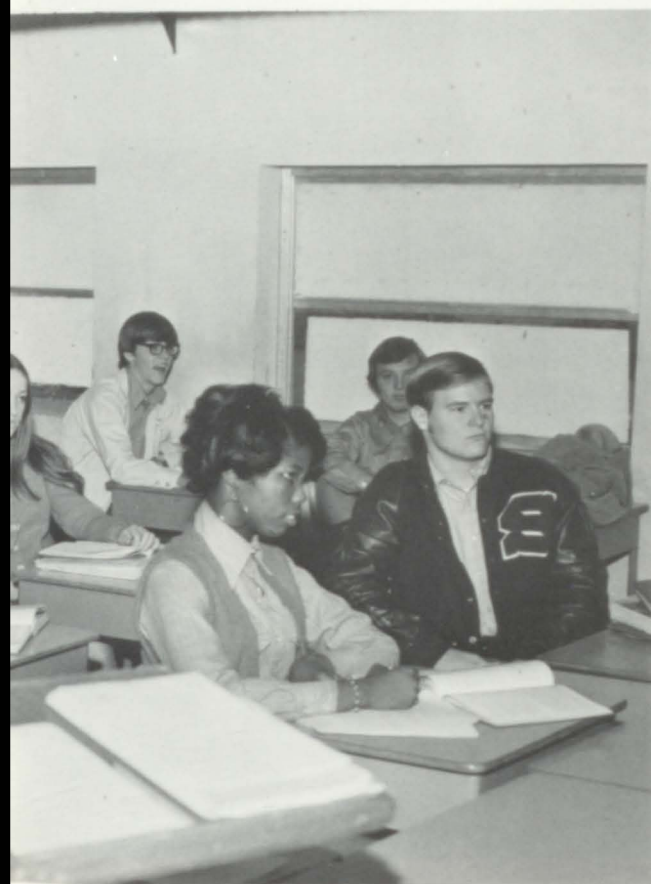

In History Classes

ABOVE LEFT: Ellis Moore raises his hand in response to a question asked by his American History teacher.

ABOVE RIGHT: Communism is an important part of the study of American History. Dorothy Tanner illustrates this by reading *The Communist Challenge*.

Many interesting things are taught from the past as well as the present in the social studies program. The government and history of many different countries are studied through these expansive subjects. The social studies courses offered at Woodlawn this year are American history, civics, economics and government, world history, and world geography.

American History increases the knowledge of our national heritage. The study of our nation's birth, hardships, and progressive periods help us to chart a straight course for the future. American History teaches the true meaning of freedom and democracy and develops a greater appreciation of the country that we live in today.

Each student is required to take at least two courses in social studies. A quest for more knowledge on this fascinating subject leads many students to go on to college and major in this field.

The microscope is an important instrument in the study of biology, as Jerry Watson demonstrates.

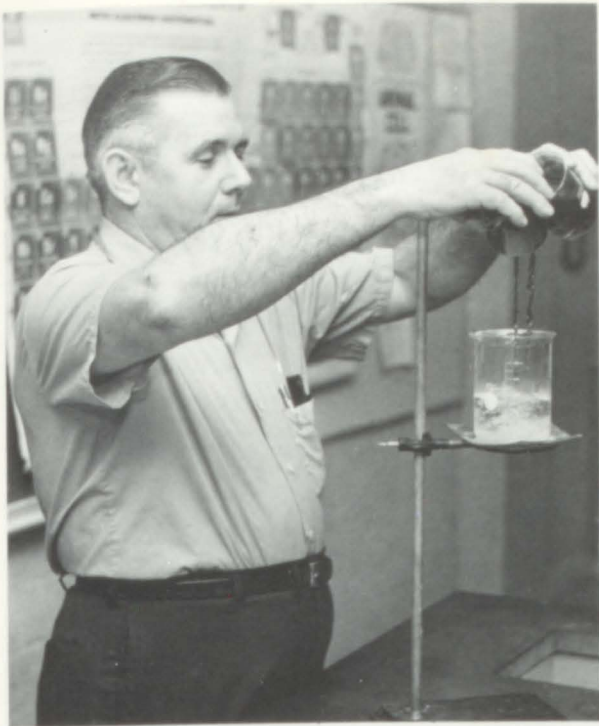

RIGHT: These biology students try to determine the probability of "heads" to "tails" by flipping a coin.

Robbie Fielder demonstrates how to work a problem for her chemistry class.

LEFT: Mr. Herren demonstrates the reaction of two chemicals for his chemistry class.

Science is a subject for the future. This ever-expanding field is of great importance to us all. Each day new things are being discovered about the food that we eat and the environment that we live in. This year the courses offered in the science field are chemistry, physics, biology, general science, and physical science.

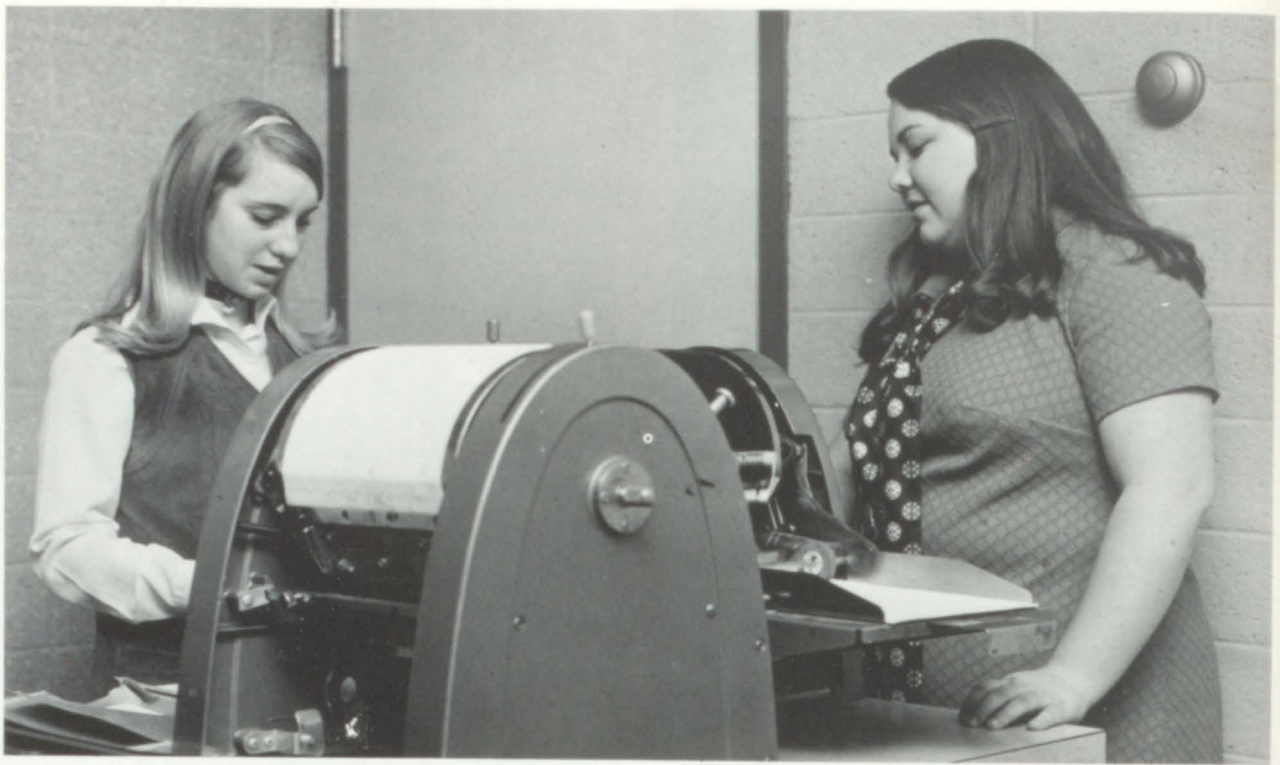

Biology means the study of life. Everything from the most complex organisms to microscopic bacteria is studied. Finding out in what conditions plants grow best, the type of weather in different areas of the world, and probability, are just a few of the things that are studied in biology.

Physical science is the newest course offered at Woodlawn. It can be used as a credit for either chemistry or physics because both subjects are included in the course.

Science Is The Light Of The Future

Mrs. Hicks' general science class is where many students learn the basic principles of science.

Carol Hagedorn and Rhonda Patterson learn how to operate the mimeograph machine in C.O.P.

Courses In Business Interest Many

The field of business is growing and expanding daily. For this reason, many students choose business as their vocation. Students at WHS learn the fundamentals of business through various business courses such as typing, shorthand, clerical office practice, bookkeeping, business English, and business math.

Typing I and II are necessary courses for those who plan to enter into any type of business vocation. Typing is also helpful for high school and college students when doing reports, research papers, or almost any type of written work.

Clerical office practice is a course where students learn the basic procedures of general office work. Students are taught how to operate several different office machines, along with office courtesies. C.O.P. is excellent preparation for those who wish to acquire a reputable position upon graduation from high school.

Mary Edwards writes shorthand words on the board for her class to study and learn.

Regina Linneer conjugates a French verb for her class.

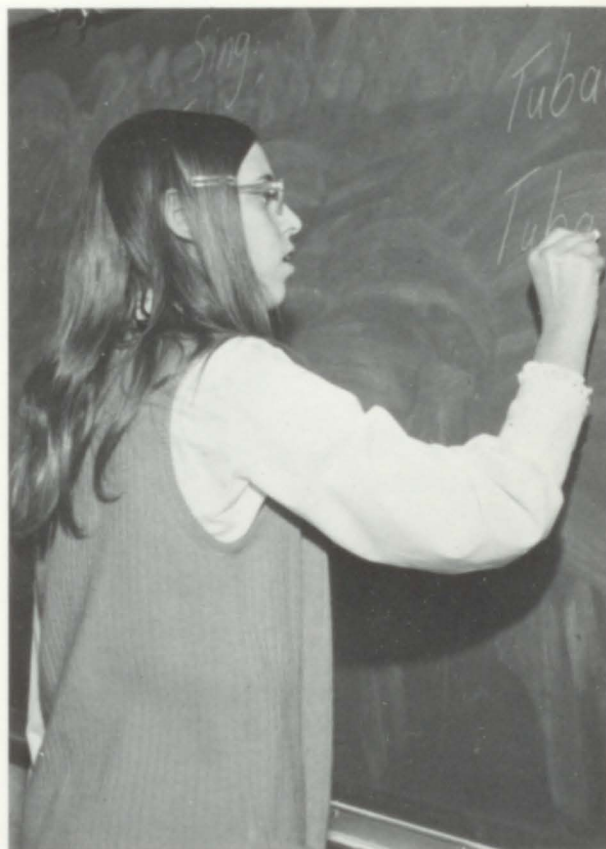

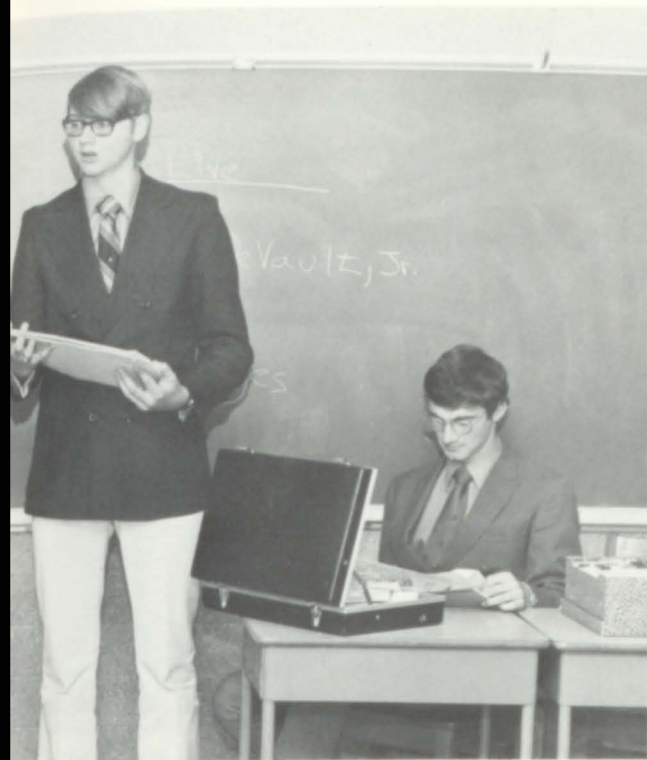

RIGHT: Latin is the basis for most modern languages. Bobbi Mercer shows her class the singular and plural of a Latin word.

Good speech is essential for communication throughout life. Knowing how to speak clearly and concisely is of great importance when being interviewed for a job, when meeting new people, or when speaking publicly.

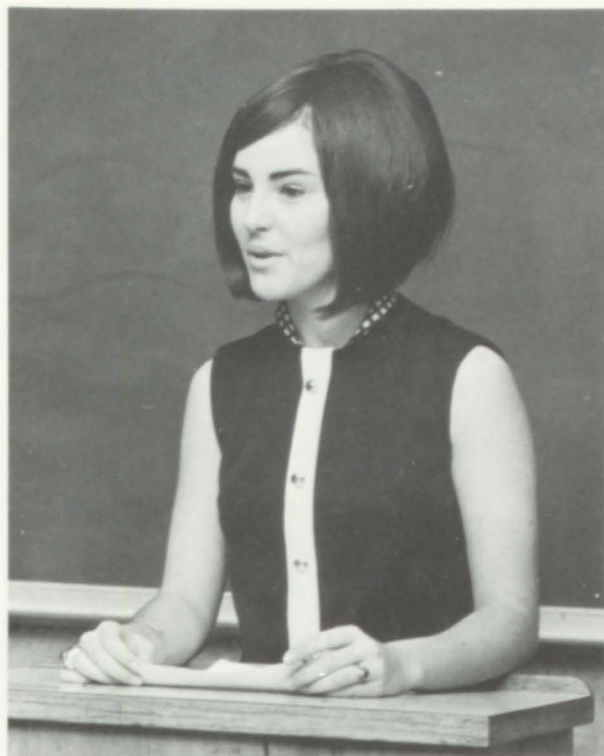

Speech I is a first-year course in which the students study speech composition and presentation. Speech II stresses the many aspects connected with drama. Speech III is an advanced course teaching the method of debate.

Foreign language courses are becoming more popular each year. This is because the need for people who speak many languages is growing rapidly with the times. Many students select one of the foreign languages as a major in college. Many colleges require at least one course in a foreign language.

ABOVE: Glen Davison, Dan Denton, George DeVault, and Barry Hayes participate in a debate for a Speech III class.

Susan Davidson discovers that giving a speech isn't really hard, once you get used to it.

Spanish I students practice speaking the language often to perfect their pronunciation of it.

The courses that usually lead to jobs for students at the Castle are the electives. This is because the students choose a course they like and one in which they can excel. The electives offered this year include home economics, art, electronics, mechanical drawing, woodwork, motor mechanics, agriculture, and the business courses. These teach the basic principles about each subject while some actual experience is gained.

Electronics interests many boys. For those who go on to college, the occupational opportunities in this field are numerous. Jobs in aerospace, equipment design, maintenance, and repair are just a few of the vocations that an electronics engineer can choose from.

Students worked on various art projects this past year. Pat Johnson demonstrates her skill in weaving.

Steve Whatley, like many other boys, discovered that the electronics courses were very interesting.

Beverly Rhinehart shows her finished product in Home Ec. II.

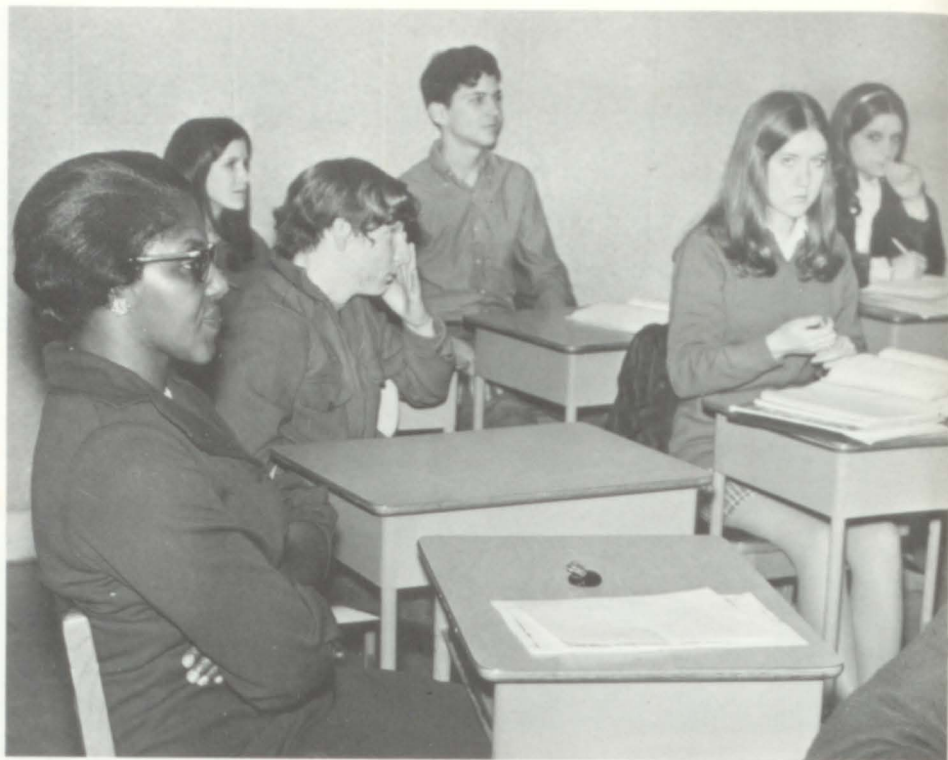

Larry Brent and Claudell Jackson work on a small motor in motor mechanics class.

Electives Lead To Job Opportunities

Charles Meshell looks on as Calvin Johnson works on his woodwork project.

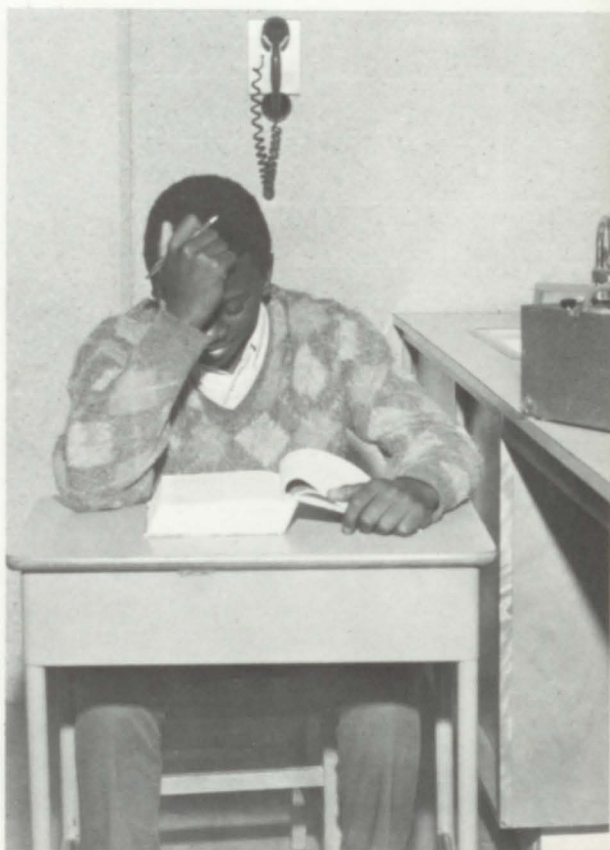

Mrs. Pugh looks on as a discussion in an English III class proceeds.

Various Plays Are Studied In English

The use of good English is of great importance in this day and age. Good English is necessary to express thoughts effectively with words, as well as on paper. English is the key to a more abundant and progressive life.

Literature is the favorite part of English for many Knights. Old English and American novels, short stories, and plays were studied and taught with enthusiasm throughout the year. This year the students were assigned many essays and reports on famous authors to help prepare them for college.

Grammar is an essential part of the study of English. Discussions, lectures, and demonstrations were used by the teachers to help their students understand the structure of sentences and the various functions of the different parts of speech.

ORGANIZATIONS

Student Council Conducts Elections

The Student Council is a vital part of life at Woodlawn as it provides the students with a forum for expression in self-government and maintains good student-teacher relationships. The membership consists of a representative and an alternate elected by their respective classes and officers which were elected by the entire student body.

The Student Council and Red Cross were combined this year for the first time. As a joint club, their activities included selling Homecoming tickets and corsages, working in the school store, and selling Woodlawn sweatshirts.

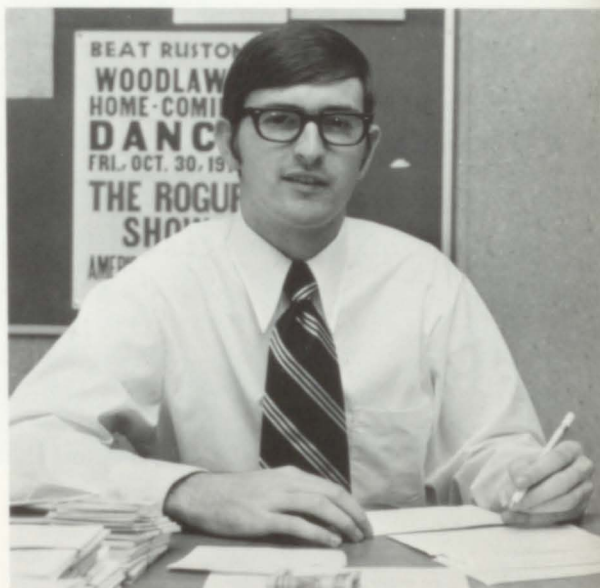

Supervising and conducting chapel services, handling elections, and changing the bulletin board outside the library are just a few of their many duties.

Accolade Staff Plans Yearbook

The ACCOLADE Editorial Staff is composed of fifteen staff members and two sponsors, Miss Linda Loper and Mrs. Lottie Hennigan. Many hours were spent in planning pages, writing body copy, taking pictures, alphabetizing names, cropping pictures, and writing cutlines. In addition to these responsibilities, the ACCOLADE Staff has the privilege of choosing the color and theme of the yearbook.

The people who are given the honor of putting together the yearbook are selected each spring by the advisors and give up a study hall to work.

The staff works hard all year, but its reward comes when the ACCOLADES arrive and they see pleasure in the eyes of their fellow students.

ABOVE: Glenda Knotts and Larry Mercer look over the progress chart for their work on the yearbook.

BELOW: Miss Linda Loper and Mrs. Lottie Hennigan look in old yearbooks for ideas for pictures and headlines.

Ad Staff Attends Publication Banquet

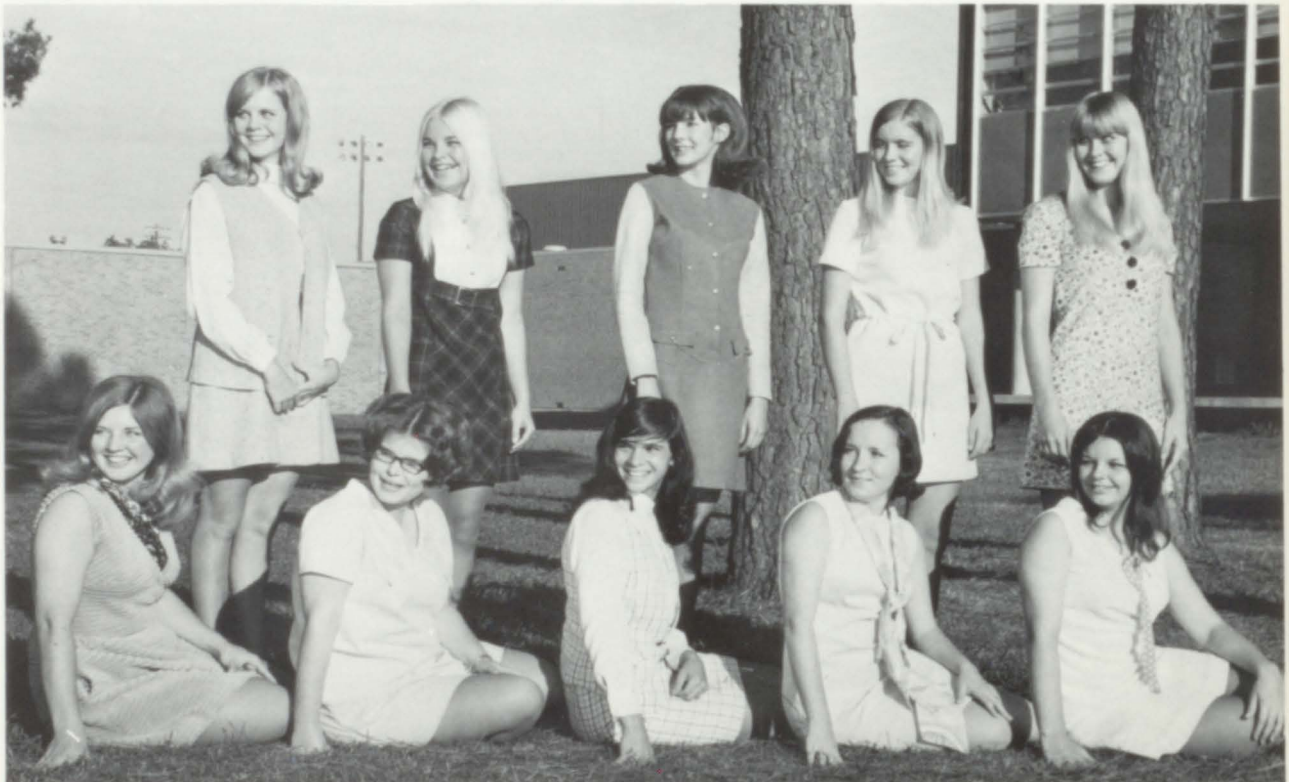

Under the direction of Mrs. Sherry Hudson, the members of the ACCOLADE Ad Staff sold ads to help finance the 1971 ACCOLADE. Each girl is given a quota of \$200 and a list of businessmen from whom ads are solicited.

To become a member of the staff, one must be a junior or senior with at least a 2.5 average and approved by the previous year's staff members.

It has been found, however, that the Publications Banquet in the spring of the year, honoring all the staff members of the yearbook and newspaper, is a very pleasant remembrance of the ACCOLADE Ad Staff.

LEFT: Marla Townsend and Mrs. Sherry Hudson write up a contract for an ad.

Circulation Staff Has Five Sales

Publicizing the sale of yearbooks in the fall, selling them in each homeroom, handling all money from the four sales, and distributing the finished product in the spring was the ACCOLADE Circulation Staff's job.

In order to become a member of the staff, a person must be a junior or senior with at least a C average and approved by last year's members.

Highlights of the year are a Coke party and the annual Publications Banquet in the spring.

BELOW: Brenda Bagley, Marian Chandler, Gloria Grant, Patricia Campbell, Kathy Statham, and Merle Smith count money and the amount of yearbooks sold that day.

ASTRA Club Is New Girls' Club.

The ASTRA CLUB, a new club at Woodlawn this year, is sponsored by Altrusa International. It is one of over 550 world-wide local clubs of Altrusa International.

The name ASTRA CLUB stands for *Ability, Service, Training, Responsibility, Achievement*. Its objectives are: To provide opportunities for personal development, career planning and preparation, leadership training, and citizenship development. To foster the concept of service through practical application in school and community. To sponsor social and cul-

tural activities. To promote fellowship and better understanding among all people.

The chapter of ASTRA CLUB at Woodlawn is sponsored by Miss Renda Stinson and Mrs. Chris Strother. The club meets the first Tuesday of every month.

For projects this year they had a Christmas party at a nursing home. ASTRA CLUB members also attended an Installment Dinner where they received their sweaters and pins.

Office Workers Volunteer Services

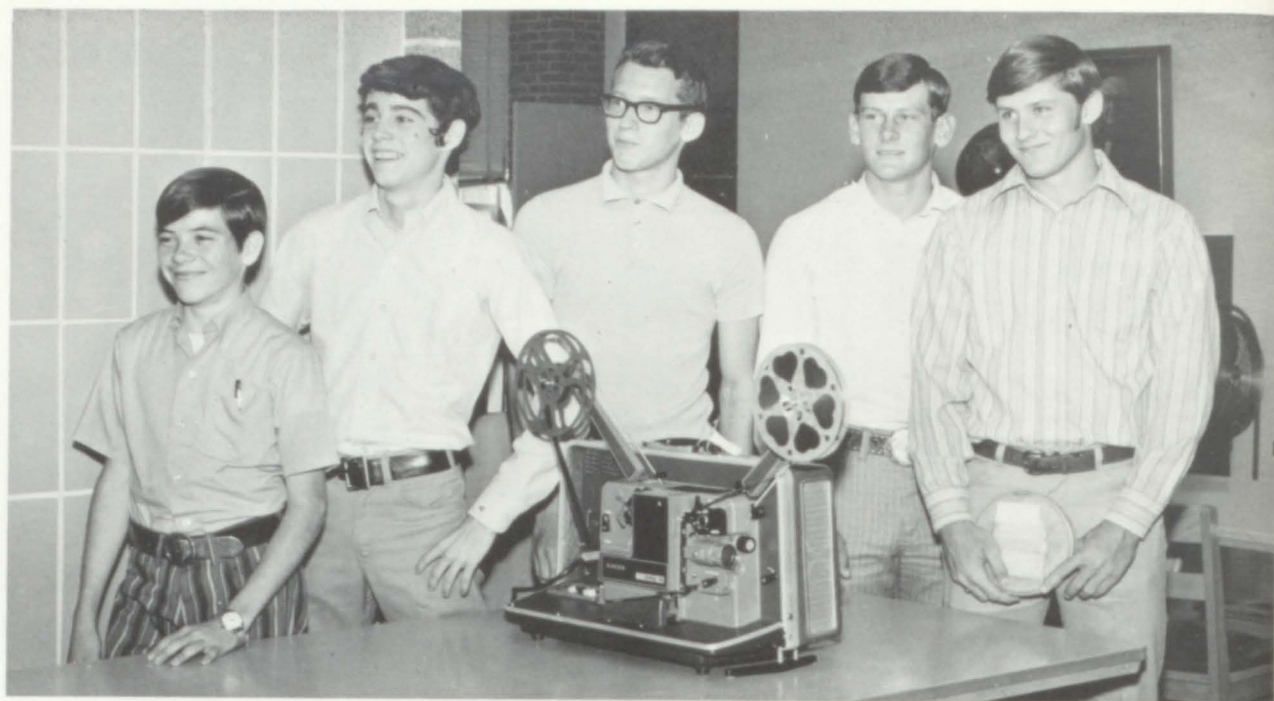

ABOVE: Charlotte Triplet and Julie Whipple have gained much knowledge about the jobs of office workers at Woodlawn.

The assistance of the volunteer office worker is invaluable to WHS. Each morning the student office workers begin their daily tasks by picking up absentee cards from all the rooms and distributing morning sheets. Other duties of the office workers are answering the telephone and intercom, running errands, distributing afternoon sheets, locating students when needed, and taking messages.

RIGHT: Viola Smith has the responsibility of answering the telephone and intercom at fifth period.

AUDIO-VISUAL AID WORKERS — Gerald Grace, Harley Harville, Tommy Cole, Gene Molton, Sammy Deeds.

Audio-Visual Aids Benefit School

Through the use of record players, movie projectors, tape recorders, and educationally approved films and tapes, classroom subjects were daily made more interesting at the Castle.

Teachers could use these aids by checking out the desired equipment and could thus better portray and illustrate the subject matter being taught.

Under the guidance of Mrs. Odessie Frisch, the assistants of the Audio-Visual Aid Department did their share in bringing life and educational enrichment to the curriculum at the Castle.

These assistants took care of the operational part of the visual aids by showing films in classrooms and operating tape recorders and projectors.

LIBRARY ASSISTANTS — FRONT ROW: Sammie Williams, Patricia Powell, Mary Lawless, Susan Hazelmeyer, Shelia Sellers, Minena Bond. ROW 2: Sammy Deeds, Gene Melton, Harley Harville, Gerald Grace.

LIBRARIANS — Mrs. Allen, Mrs. Frisch, Mrs. Bolding.

Student Workers Assist Librarians

Library assistants serve the school by giving up their study hall to work an hour each day in the library. These workers must have a C+ average and be approved by the librarian.

Handling 120 periodicals by checking them into the library, keeping the current ones ready for readers, and chronologically placing older copies in order

on the storage shelves were just a few of the library assistant's jobs.

They also reshelved books, made out library fine notices, took books to classrooms, helped make and hang the bulletin board displays, checked students in and out of the library, and shelved newspapers.

Sammy Deeds, Sammie Williams, Minena Bond, and Gene Melton worked in the library checking out books.

FBLA Club Serves Business Students

The Future Business Leaders of America is an organization for all high school students enrolled in business subjects. It is part of a program of the Vocational Business and Office Education Section of the State Department of Education.

The purpose of FBLA is to develop leadership and to strengthen the confidence of young men and women in themselves and their work. FBLA can develop our character and prepare us for useful citizenship. The members of FBLA visit various business schools and firms to improve and establish standards for entrance into store and office occupations.

Science And Math Club Looks Ahead

OFFICERS - KNEELING: Dan Denton, Secretary; Glen Davison, Parliamentarian. STANDING: Barry Hayes, Treasurer; Skippy McClimans, President; Mike Friedkin, Vice-President.

The Woodlawn Science and Math Club has two new sponsors this year. Serving as advisors to this club are Mr. Ralph White and Mr. Rogers Martin.

To promote appreciation of science and mathematics and to further enrich the experience of those interested in the application of math and science in practical and professional fields are the purposes of this club.

Through discussions the members are acquainted with the many opportunities available in the field of mathematics and science.

BELOW: Mr. Martin is one of the two new faculty advisors to the Science and Math Club at Woodlawn.

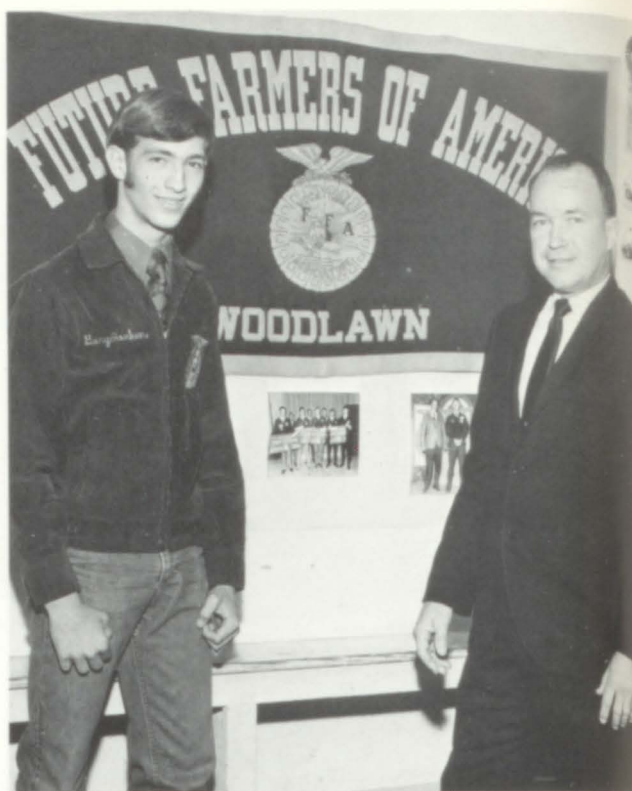

FFA Continues WHS Tradition

For the tenth consecutive year this chapter was rated superior in the state. It is not so surprising after recalling the many activities of the club. The purpose of the club is to develop leadership ability and encourage interests in careers relating to agriculture. It thus provides an opportunity for rural boys and students interested in agriculture to participate with other students possessing similar interests in contests and activities related to these areas.

The requirements for membership are to be enrolled in vocational agriculture and be voted in by the previous members.

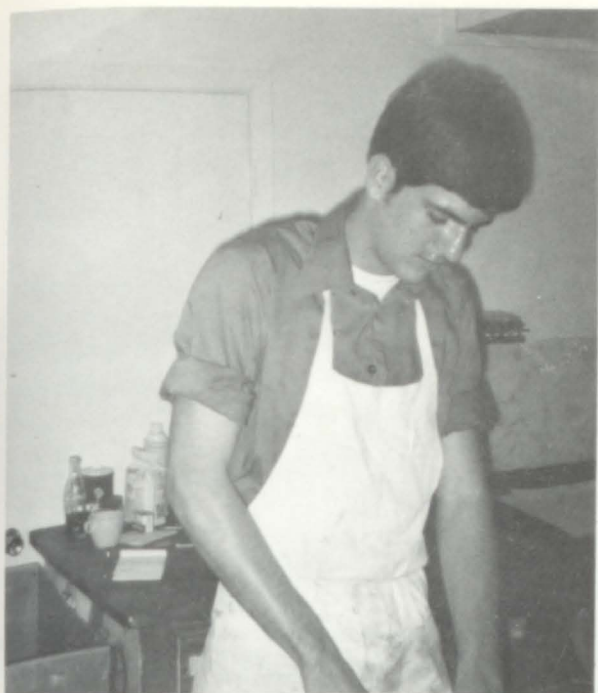

The chapter played an important role in coordinating the FFA Barnyard at the fair and acted as hosts for the exhibit.

Reporters Interview Different People

The requirements for becoming a HERALD reporter include being a journalism student and the ability to find news and to write it in an interesting manner. A subject is assigned to each reporter, and his story is approved by the sponsors, Mrs. Case and Mrs. Wilson, before being printed.

Reporters on the HERALD Staff have a chance to become editor after serving for one year.

Woodlawn HERALD Reporters help the HERALD Editorial Staff in getting the paper published and promoting student interest in the school.

RIGHT: HERALD sponsors, Mrs. Case and Mrs. Wilson, spent much time helping publish the HERALD.

BELOW: Betsy McLeod and Dot Comans, members of Circulation Staff, work hard selling HERALDS.

Circulation Staff Delivers Herald

The HERALD circulation Staff is composed of juniors and seniors who, with their advisors Mrs. Case and Mrs. Wilson, sell many HERALDS. Each member of the staff is responsible for selling the papers to the rooms in their section when the HERALD is published each month.

Circulation members are responsible for making posters to encourage all students to buy a HERALD. They spend much time advertising so everyone at school will be informed of the selling days.

Herald Ad Staff

Works During Summer

The purpose of the HERALD Ad Staff is to sell ads for the newspaper and promote a good personal relationship between the school and business.

Staff members work at the constant job of billing and collecting from advertisers. They also plan the ad layouts for each paper and then proofread before publication.

Their endless work enables Woodlawn to publish a paper that we can be proud of.

Students become acquainted with the field of advertising and learn the art of salesmanship by serving on the staff. In addition to learning these skills, HERALD Ad Staff members have a chance to be selected for Quill and Scroll.

Art Club Provides Service To School

The Art Club is new at Woodlawn this year. Serving as sponsors are Mrs. Johnnie Jordan and Mr. Charles Lovelace. The purpose of this organization is to provide service to the school and promote self-improvement.

Projects for the year included making miniature paintings, sponsoring a bake sale, and decoupage pictures to sell. Other projects of service were the making of a backdrop for the 1970 Homecoming Dance and an entry in the Captain Shreve game homeroom poster contest. The Art Club won first place.

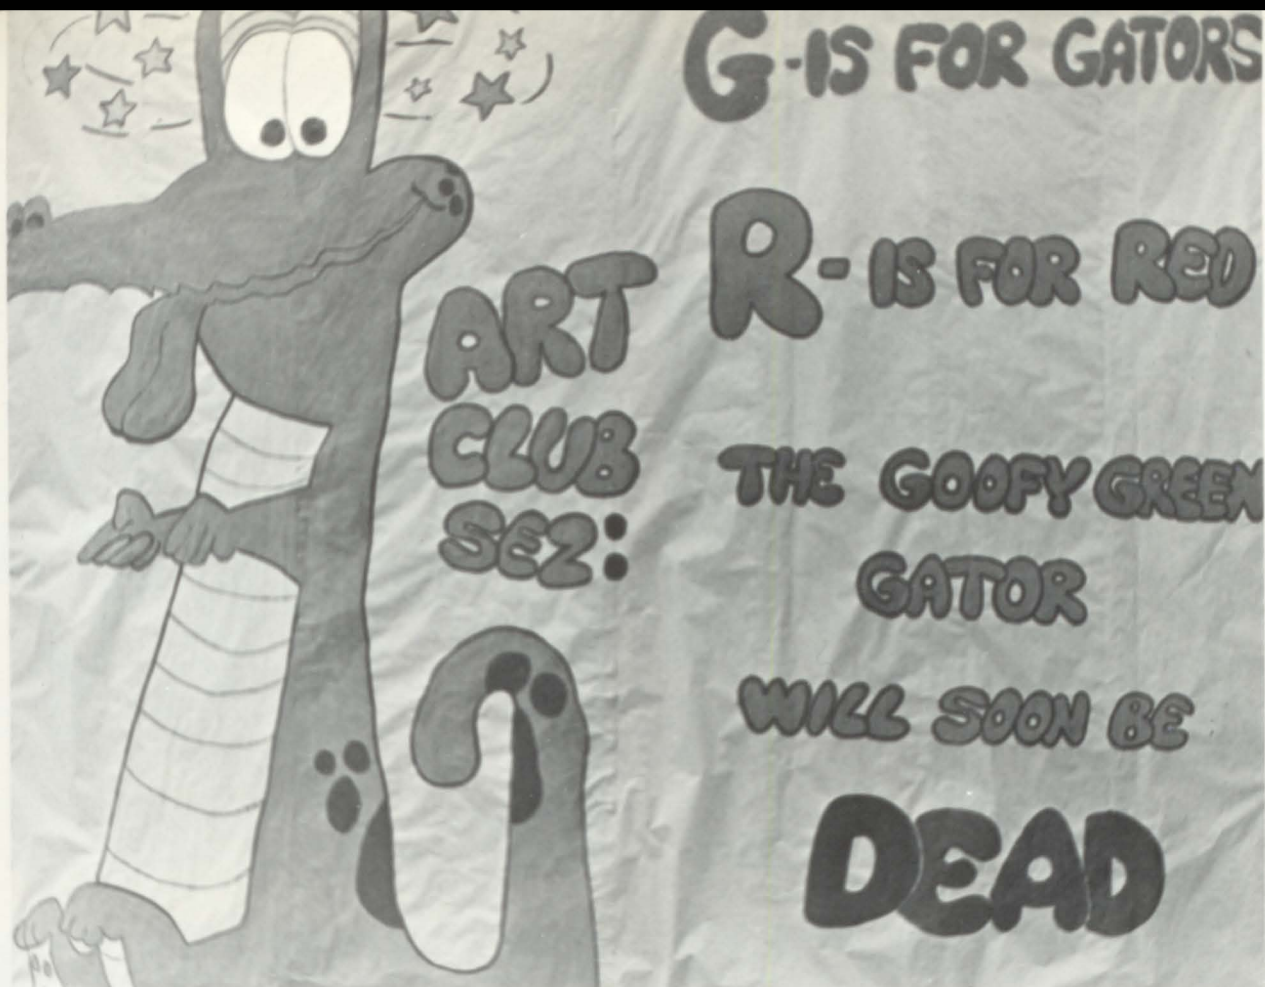

At the end of the year a banquet was held. A certificate of service was awarded the most outstanding student.

HONORS

Castle Bestows Greatest Honors

SONYA GIBSON has been chosen Miss Woodlawn for the 1970-71 year. In her previous two years she has received many other honors for her services to the Castle. Sonya has worked with the Z Club, French Club, Student Council, and Football Program Ad Staff. She has devoted most of her time serving as head cheerleader to the Knights.

Sonya was elected Class Favorite in her sophomore and junior years and has been a member of both the Homecoming and Accolade Courts. This past summer she was WHS representative at Pel State.

When she finds time, Sonya enjoys the outdoor life. She is very fond of swimming, skiing, and camping. At home she likes to cook.

Sonya is very interested in sports, old movies, and aviation — she plans to become an airline stewardess. She loves El Chico's, Jose Feliciano, and all kinds of rings. The color purple, raw oysters, and cold floors are on her list of dislikes. Most of all, though, Sonya dislikes leaving the many friends she has met at the Castle.

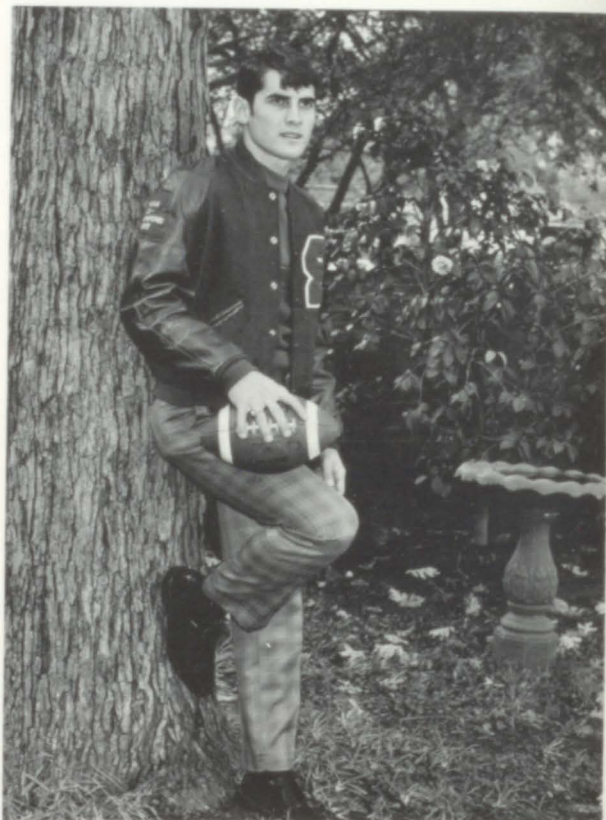

Selected as Mr. Woodlawn for this school year is JOHNNY BOOTY. This senior Knight is very active at the Castle. His participation in sports and different organizations has won him the respect of his fellow Knights.

Johnny has been a member of the Fellowship of Christian Athletes during his three years at WHS. He is also a member of FFA, and he has participated in Key Club and Student Council activities.

Johnny was elected to the Accolade Court as a sophomore and junior. During his previous two years, he served with Sonya as Class Favorite.

As a member of the Knight's Football Team, he has assisted in bringing many honors to the Castle. He lettered in football all three years at WHS, and he has been selected to the All-City, All-District, and All-State teams. Aside from football, Johnny participated in track and baseball.

This Knight also enjoys hunting and fishing when he finds the time.

The 1970 Homecoming Festivities Begin

The stadium was packed with spectators. The date was October 30 and the event was the Woodlawn — Ruston football game. More important, it was the night of the Woodlawn Homecoming.

The festivities began with the formation of the "W" by the Band and Pep Squad on the field at half-time. Each maid on the court was then presented to the Woodlawn side by an outstanding former Knight. The highlight of the night was the presentation of the Queen, Carla Quinn. The Lancer Drill Team then saluted the entire Homecoming Court.

After the victorious game, a dance was held at the American Legion Clubhouse.

PEL State Offers New Experience

Pelican State is held annually each summer at the LSU campus in Baton Rouge. Each Louisiana high school sends a designated number of students elected by the junior class.

Upon arrival each delegate is placed in a mythical city and parish. During the course of the week, the delegates are also placed in a mock political party.

For approximately eight days, the students participate in a fast-paced program which includes elections, spirit-oriented activities, and lectures by prominent speakers.

The program is designed to promote interest in local and state governments. It is expected that each representative relay the knowledge learned to his school and city in order to achieve a better informed community.

NHS Recognizes Deserving Students

Each Spring new members are inducted into the National Honor Society. To be eligible for membership a student must have a 3.0 grade average and must be active in at least two school organizations. Those students who meet these qualifications are then voted on by the teachers.

The focal points of the year are the induction and the spring banquet.

This organization does not participate in service or money-making projects. The purpose of the National Honor Society is to promote scholarship, leadership, character, and service.

OFFICERS: Gloria Grant, Chaplain; Karen Magee, Secretary-Treasurer; Larry Terrell, President; Mrs. Bratton, Sponsor; Mike Rose, Vice-President.

Quill And Scroll Gets New Sponsor

This is Mrs. Richardson's first year as sponsor of Quill and Scroll. As part of her duties, she must screen out potential members for the organization. It is also her responsibility to see that all members uphold the ideals of Quill and Scroll.

The purpose of this organization is to honor those students who have done outstanding work for one or more of the school publications. The publications are the HERALD, the ACCOLADE, and the Football Program.

Any student on one of the business or editorial staffs is eligible for membership. Requirements are a high scholastic average and a recommendation from an advisor of the staff.

Those students that are selected are presented in an assembly at the end of the year.

Debaters Improve Techniques At Camp

Through the attendance of various debate camps in the United States, WHS debaters have broadened their knowledge and learned new techniques. This year Woodlawn debaters attended camps at Athens, Georgia and Louisiana Tech.

The purpose of the National Forensic League is to promote speech competition.

To qualify as a National Forensic League member a WHS student must earn at least 25 points. Four points are gained through a win and two points for a loss. A member may obtain four degrees. They are the Degree of Merit, Degree of Honor, Degree of Excellence, and Degree of Distinction.

Football Players Receive Many Honors

ABOVE: Tommy Waterfallen, son of Mr. and Mrs. J. R. Waterfallen, plays center for the Woodlawn football team. As number "53" on the team, he is responsible for the success of many of the plays. His precision in handling the football has placed him on the All-City and All-District teams.

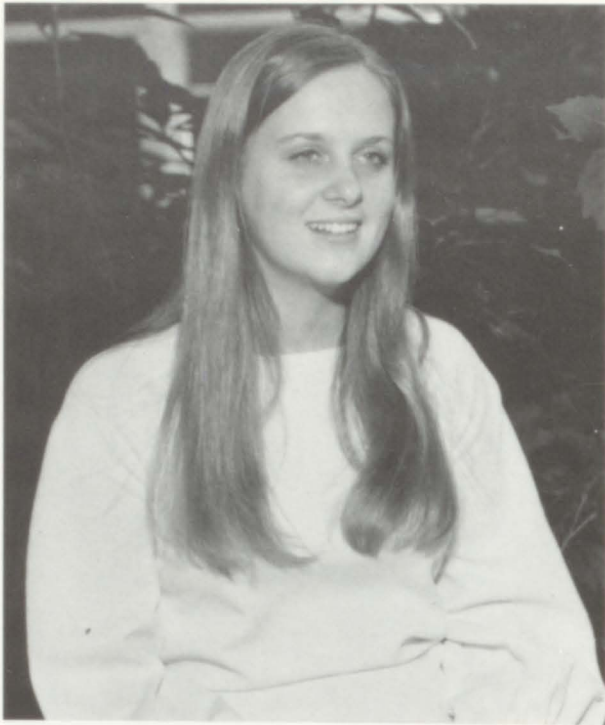

One of the most outstanding guards for Woodlawn is John Strange, a 190 pound senior. He is the son of Mr. and Mrs. John H. Strange. His performance as number "67" has won him the honor of being a member of the All-City and All-District teams.

Number "84" on the Woodlawn football team is Jim Woodruff. As a senior offensive end, he is one of Johnny Booty's favorite receivers on the field. Despite being injured and missing three games this season, Jim was placed on the All-City and All-District

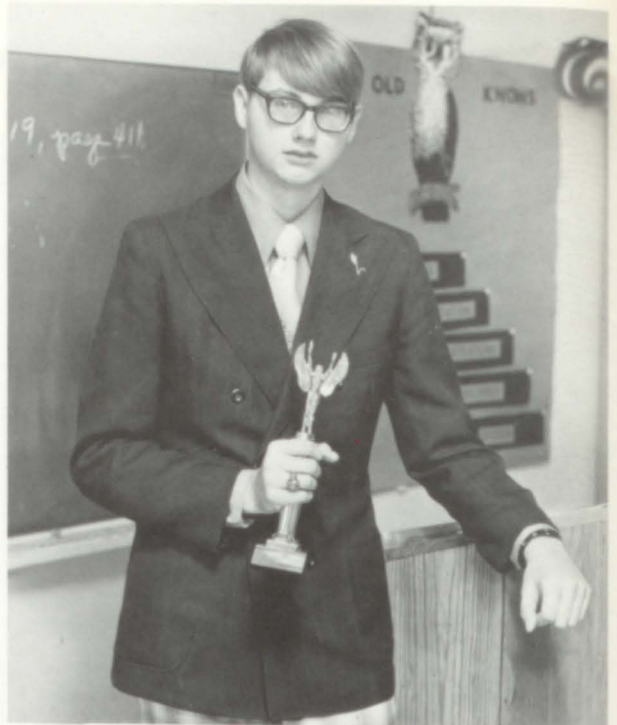

teams. He is the son of Mr. and Mrs. Julius Woodruff.

Leader of the Woodlawn Knights' offensive attack is Johnny Booty. He is the son of Mr. and Mrs. W. T. Booty. Johnny, the most outstanding quarterback in Louisiana, was named to the All-City, All-District, and All-State teams. This senior, number "10", leads the state in passing with a total of 1862 yards.

Ronnie Procell, number "50" on the field, is one of the Knights' most valuable players. As a linebacker, he is responsible for the success of "Big Red". His efforts have placed him on the All-City and All-District teams. Ronnie, the son of Mr. and Mrs. S. P. Procell, also was chosen for the second team All-State.

The Good Citizenship award was presented to Sammie Beam by the Pelican Chapter of the DAR.

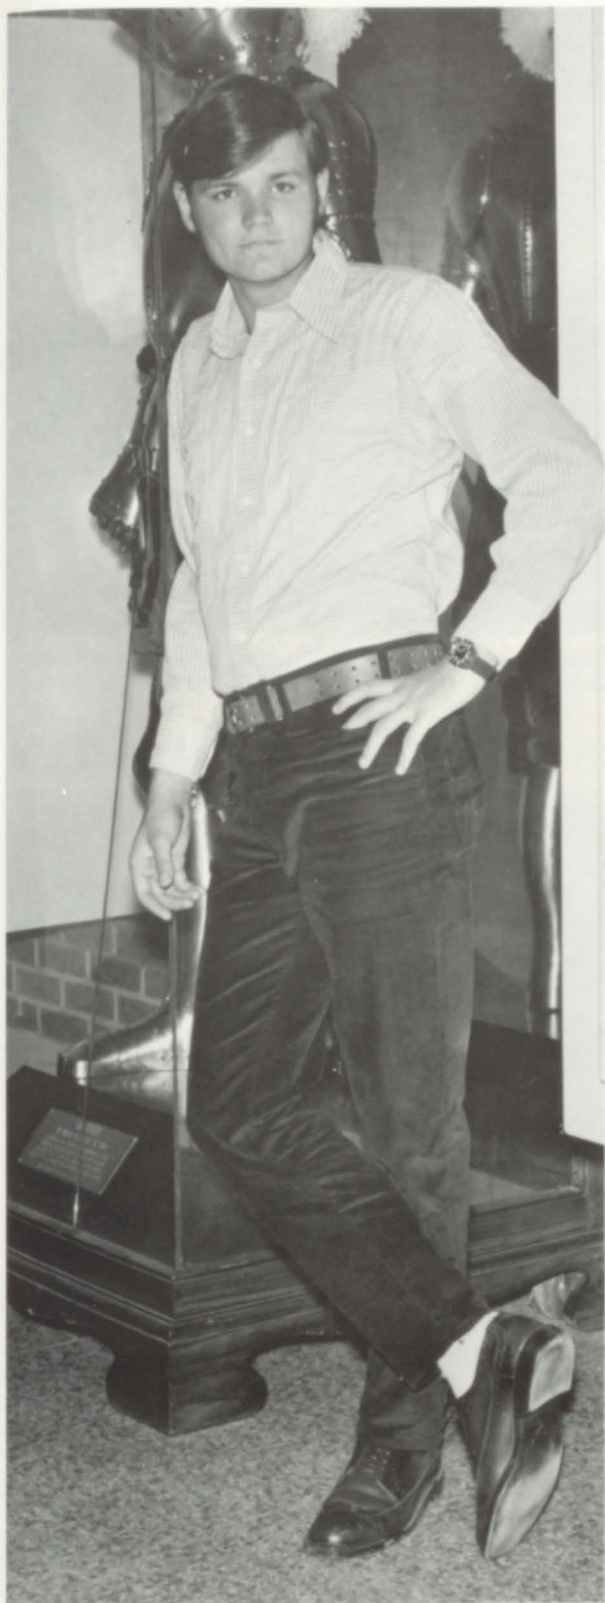

George DeVault won the "Outstanding Speaker Trophy" at the Captain Shreve Debate Tournament.

Worthy Students Are Awarded Honors

Billy Hollifield, Diane Dufour, Carla Quinn, and Tommy Waterfallen were chosen "Outstanding Teenager of America" this year at Woodlawn. They submitted information sheets to be placed in state and national competition.

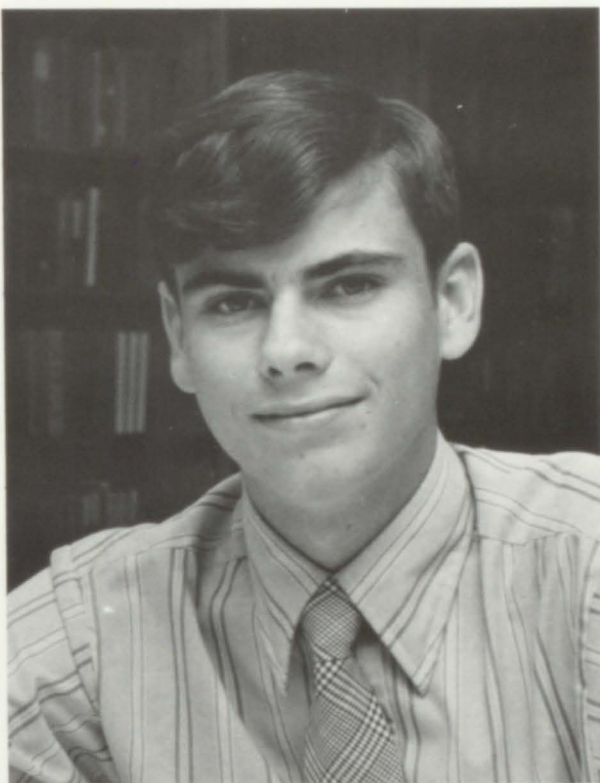

Knights Exhibit Best Qualities

Tommy Waterfallen and Gloria Grant were presented the "Pat 'Em On the Back" award by Mayor Fant.

This year Kenny Gilbert was elected Sir Knight.

Billy Hollifield received the honor of being chosen as a member of the All-State Band.

Senior Susan Lattier qualified as a National Merit Semi-Finalist this year.

Glenda Knotts serves as State Treasurer in the Junior Classical League.

Outstanding Students Are Recognized

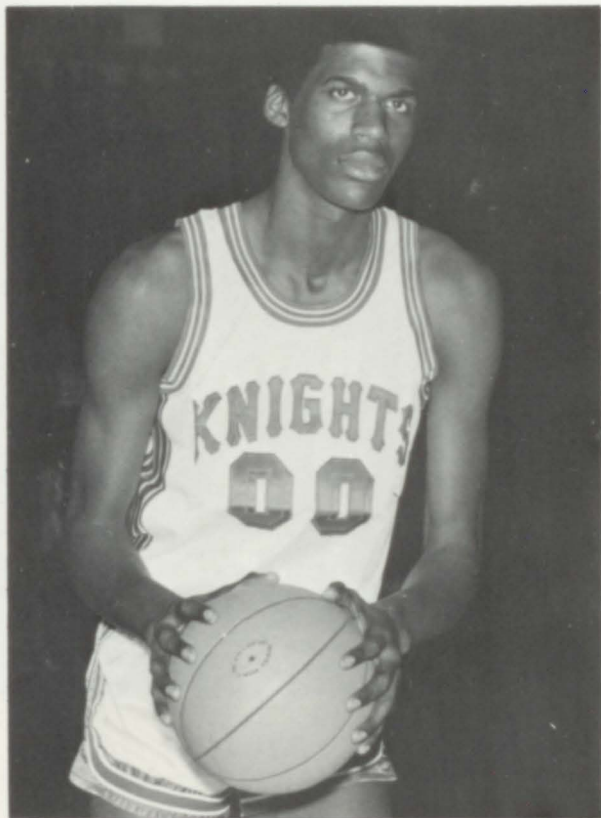

Karen Magee and Billy Hollifield have been selected National Merit Finalists for the 1971 year. Only one half of one percent of all the graduating seniors in the United States receive this honor.

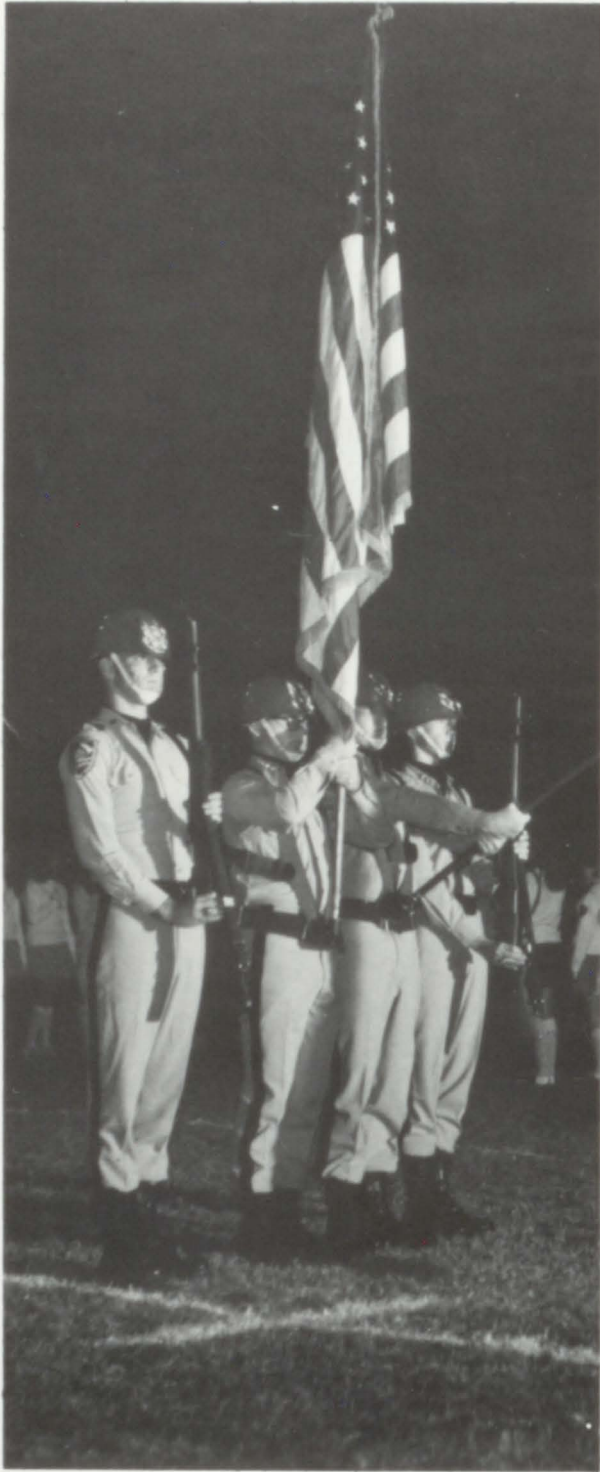

Joleen Hennigan, Diane Dufour, Becky Rachael, Kenneth Chandler, Sammie Beam, Ann Anderson, and Peggy Spinks won a trophy for "Outstanding Planned Yearbook." Peggy Spinks also received a trophy for "Outstanding Planned Layout."

High scorer for the Woodlawn Knights Basketball team is "No. 00" Robert Parish.

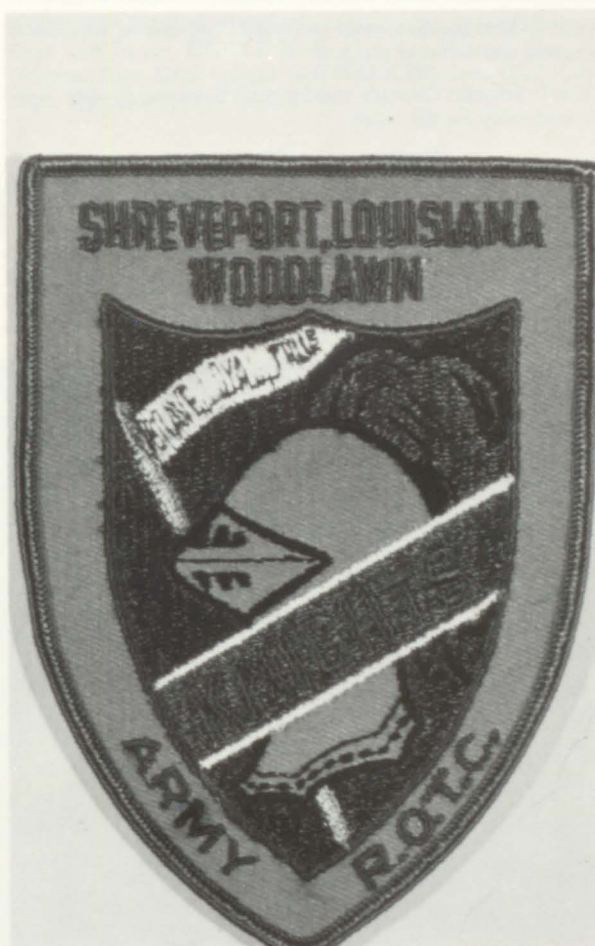

Eddie Smithey, Cathy Carney, and Judy Posey were selected for the All-State Choir.

New Coaches Added To Staff

Three new coaches added to the Woodlawn staff offered new experiences for the Woodlawn Knights. Head Coach A. L. Williams and his seven assistants led the Knights to a 7-3 season.

The Knights had a very impressive start with six straight wins and no losses. Statistics indicated that Woodlawn was among the state's most prolific scoring teams. The Knights pushed across 307 points in ten games as compared to only 88 for their opponents.

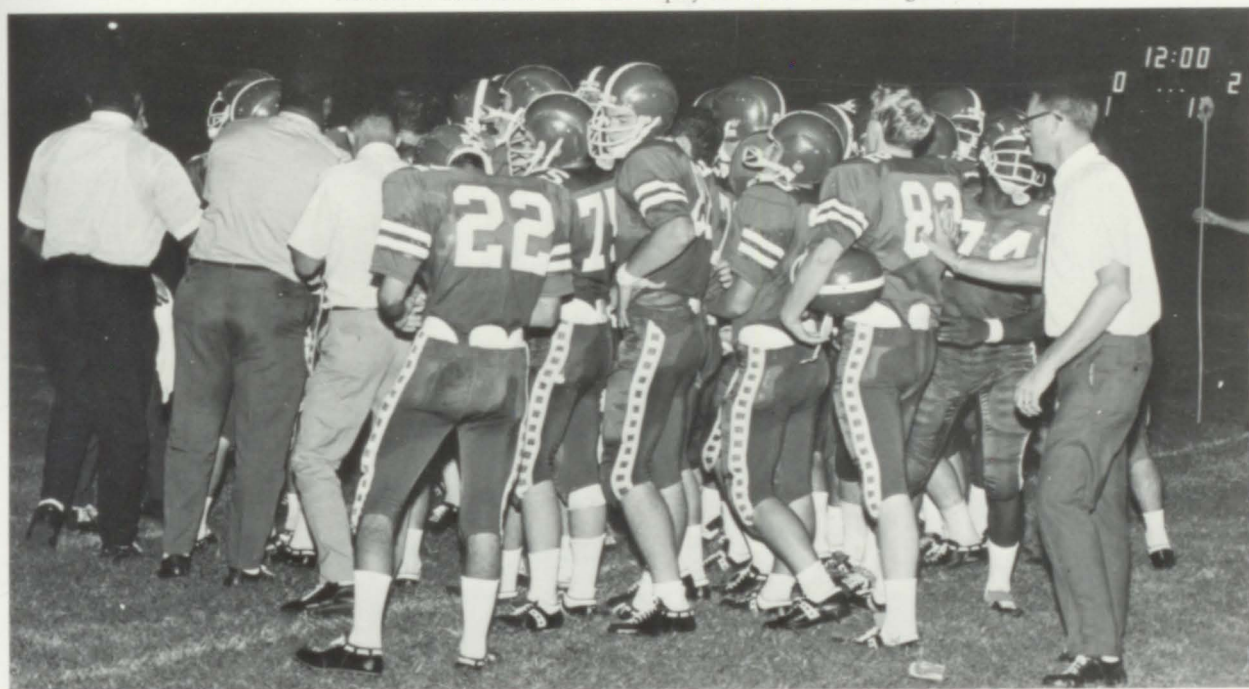

After the defeats from Byrd, Airline, and Captain

Shreve, the Knights were knocked from the playoffs for the first time in eight consecutive years.

The Knights placed five men on the All-district team. They were center Tommy Waterfallen, end Jim Woodruff, linebacker Ronnie Procell, offensive guard John Strange, and quarterback Johnny Booty. Johnny Booty also received the honor of All-state.

Pride and determination provided the Knights with key offensive and defensive plays during the season. Their gallant efforts will be remembered throughout the history of Woodlawn.

Woodlawn 21

Bossier 0

The Woodlawn Knights methodically scored three first half touchdowns and eased home to a 21-0 opening game victory over the Bearkats.

The passing combination of Booty to Woodruff accounted for the 121 of the 196 yards in passing yardage.

Hard running from our famed halfbacks Ricky Simmons and Buzz James counted for the three Woodlawn touchdowns. James barged his way in twice from one yard out for 12 big ones. Simmons then scrambled his way in from the five for another 6 points. This touchdown was set up by Jeff Sepulvado who intercepted the ball on the 24-yard marker.

Defensive tackle Buddy Mowry made all of the three extra points.

Woodlawn 32

Fair Park 12

Buzz James again led the way for the Woodlawn Knights to a 32-12 victory over the Fair Park Indians. James broke loose for a school rushing record and an 85-yard kick-off return. James also ran 25 yards for another touchdown to pile up 205 yards rushing on 16 carries. This bettered the old record of Ross Oglesby with 179 yards in 1966 against Ouachita.

The other touchdowns came on passes from Booty to Woodruff of 28 yards and 11 yards. The first one was a fantastic diving over-the-head grab made by Woodruff between two defenders. The only point after touchdown was by Donnie Johnston on a pass from Booty.

RIGHT: Ricky Simmons fights to keep control of the ball.

The Woodlawn Knights had their third consecutive victory as they mauled the LaGrange Gators 42-0.

Quarterback Johnny Booty connected on 12 of 25 passes for 237 yards. Fullback Buzz James accounted for two touchdowns, one on a six-yard pass from Booty and the other on a one-yard run.

Ricky Simmons also had a good night as he carried the ball 11 times for 57 yards and caught the ball twice for 71 yards. One pass play resulted in 55 yards from Booty for a touchdown.

The Knights' defensive unit held the Gators scoreless while the Knights scored in every quarter.

The clock expired when Ronnie Johnston crossed the goal line for the final score. This score came on an interception by David Gayer who was stopped on the Gator 36. Buddy Mowry's toe added five extra points.

Southwood 0

The Woodlawn Knights scored the first time they had the ball and the first time they didn't have the ball as they went on to beat the Southwood Cowboys 43-0.

Buzz James took a pitchout from Johnny Booty on the first offensive play of the game and cut upfield for a 70-yard touchdown jaunt.

Linebacker Ronald Pennywell drifted out with a Southwood receiver two plays later and made a one-handed interception at the Cowboy 28 and went in untouched for the second score of the contest.

As Buddy Mowry kicked his second conversion for a 14-0 lead, only a minute and 55 seconds were gone in the opening quarter.

A second interception was made by big tackle Joe Thrash which included some comic relief. He took a deflected throw on his 35 and headed off goalward. One tackler got Joe's jersey, but he broke free of that. Another was more damaging, pulling Joe's pants dangerously low on his hips. But Joe kept running. He was finally stopped on the Cowboy 11.

James was the leading ball carrier for the night with 98 yards in just eight runs.

The defense chimed in again with Danny Warren breaking through to tackle Charles Kellogg for a safety. Woodlawn logged its third district 1-AAAA win.

Linear 8

The Knights received their fourth straight victory without a loss by bombing the Linear Wildcats 52-8.

Quarterback Johnny Booty tied the state touchdown record when he hit tight end Jim Woodruff on a 17-yard scoring play with eight seconds left in the game. He set a personal high for yardage and ended with 25 of 40 passes for 364 yards and six touchdowns.

The Knights dominated the game with Linear getting only four first downs and 13 yards total offense.

Woodruff grabbed 10 passes for 128 yards and Ronnie Johnston latched on to 5 for 107 yards to lead the Knight receivers.

Dennis Martinez and Ronnie Procell intercepted two Linear passes, but the entire Knight defense played well.

Knights Come Back

Woodlawn 35

B. T. Washington 0

Records were made as the Knights defeated the Booker T. Washington Lions 35-0.

Quarterback Johnny Booty went over the 3000-yard mark with his second completion in the game. He is the fourth local quarterback to do it, joining Joe Ferguson, John Miller, and Richard Beach in the select group.

Ricky Simmons also was a key man over the Lions as he gained 70 yards in 11 carries, caught 5 passes for 41 yards and scored on a tackle-breaking 16-yard run.

Another milestone came in Buzz James' career as he gained 43 yards in the first half which pushed him past the 1000-yard mark.

It was a top defensive game for the Knights as they held the Lions to 82 total yardage. Woodlawn got pass interceptions from David Gayer, Bill LeBlanc, and middle guard Charles Statham.

Woodlawn 19

Byrd 20

Byrd pulled an upset victory over the Knights by a score of 20-19. It was the first victory in six years for Byrd over Woodlawn.

Byrd first got the ball on a David Gayer punt which went only two yards. Byrd scored three plays later to tie the contest 7-7 with ten minutes remaining in the half.

Ricky Simmons scored the first touchdown from 11 yards out in the first quarter and scored again from the one which gave them the two touchdowns.

Simmons was the top ground gainer for the Knights on 14 carries for 45 yards on eight carries.

Booty finished the night with 18 for 30 for 269 yards in the air.

Top receivers for the game were Jim Woodruff, 7 for 130, Ronnie Johnston, 4 for 76 yards, which included a 45 yard bomb for a touchdown and Donnie Johnston 3 for 30 yards.

Following Defeat

Woodlawn 35

Ruston 14

The Woodlawn Knights came back after a loss to Byrd to set back the Ruston Bearcats 35-14.

Johnny Booty ran the option to perfection three times. The offensive line did a good job of pass protection and driving holes in the defensive line for the offensive backs. The Bearcats seldom got to Booty.

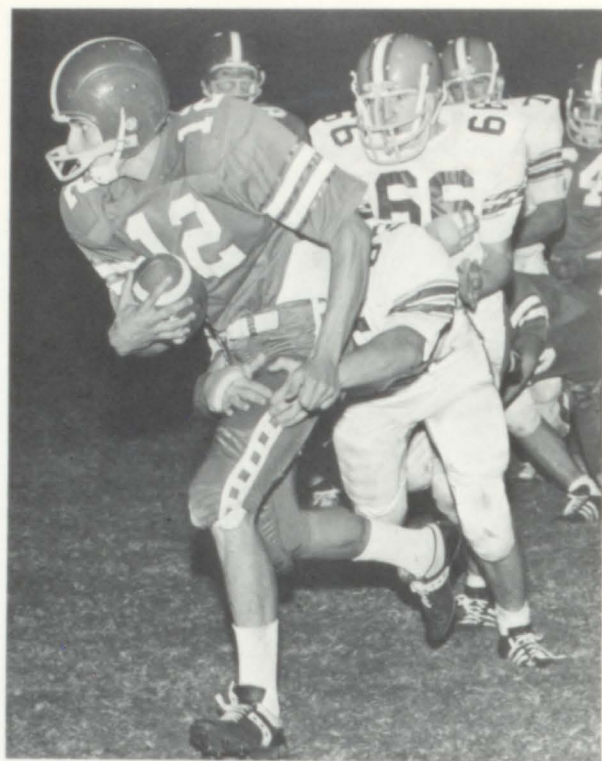

Leading in the receiving department were Donnie Johnston and Ricky Simmons with 92 and 21 yards respectively. Simmons also added 79 yards on the ground.

Big Red defensively came back the second half and contained the Bearcats and gave the ball to the offense. This was led by Ronnie Procell, Bill LeBlanc, Dennis Martinez, and various others. Dennis picked off the only Knight interception of the game.

The game ended with Ruston scoring on the last play of the game.

Woodlawn 15

Airline 28

The Woodlawn Knights were handed their second defeat in district play to almost demolish any hopes of playoffs. The final score ended 28-15 with Airline ahead.

The Knights have been plagued with injuries throughout the season. Buzz James was slowed after being injured earlier in the season. Jim Woodruff, one of the Knights' top receivers, was not around to take the quick tosses from Johnny Booty to relieve some of the pressure.

The Knights moved 163 yards in the air, one pass a 42-yarder to Ronnie Johnston. Woodlawn then drove eight plays to a touchdown.

LEFT: Sophomore Paul Kennington did a fine backup job for Johnny Booty this year at quarterback.

Play Off Dreams Demolished By Defeats

Woodlawn 13

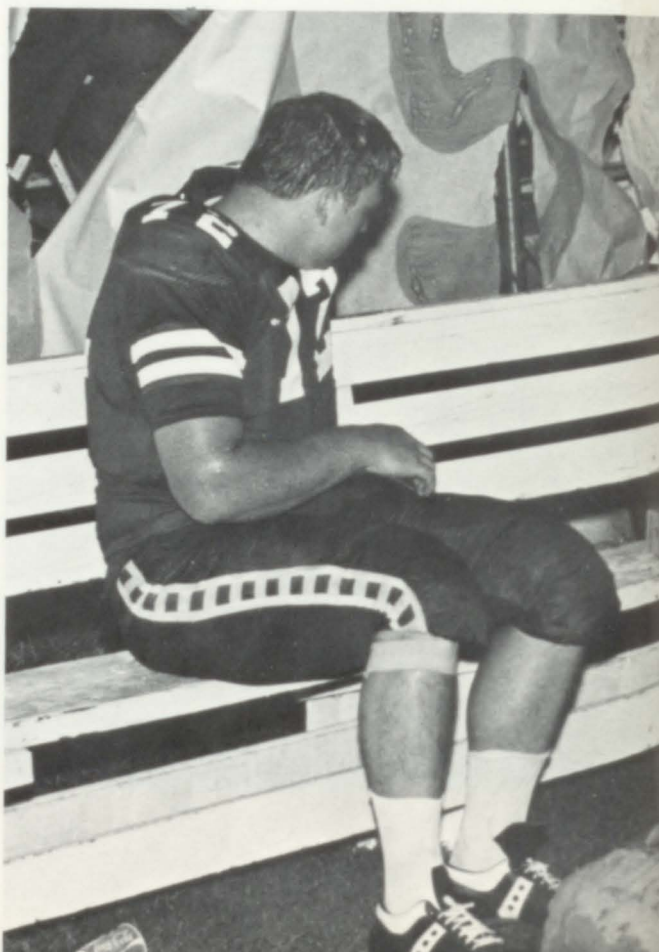

Captain Shreve 20

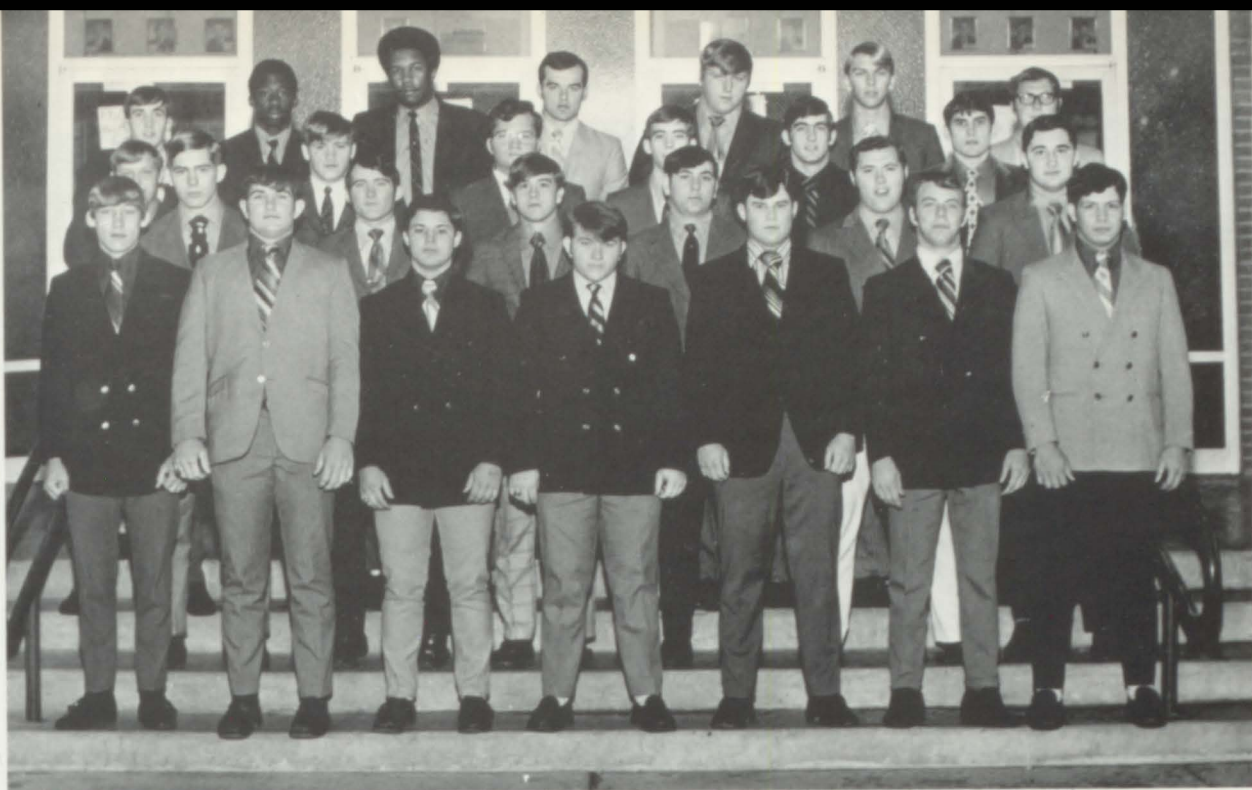

Woodlawn finished the 1970 season with a loss to the Captain Shreve Gators. The loss ended a very fine season of 7 wins and 3 losses. In the final minutes of play, the Knights had their one last chance to come back stopped by the tough Captain Shreve defense. The Knights offense drove 73 yards in the closing minutes to the Gator 18 before being held.

The two touchdowns were scored by Buzz James on a 7-yard end run. Ricky Simmons went through the Gator defense for a 54-yard run for a second Woodlawn touchdown.

Johnny Booty passed for a 104 yards to up his season total to 1,862 yards, the best in the state. His career total is 3,858 yards.

B Team Gains Knowledge And Experience

The hard-hitting B Team posted a 3-3 season record. There are many prospects on the B Team that will fill the shoes of the graduating seniors. The Knights beat Byrd twice by wide margins and also won a tough defensive battle against the Fair Park Indians. The only losses came in games against the Airline Vikings and the Captain Shreve Gators.

Some of the B Team members also played in varsity games. Coach Ken Ivy and Coach Thomas Ludley directed the team throughout the season. They taught the boys sportsmanship as well as the game of football. Though the B Team does not receive much recognition, they gain much knowledge and experience which is what makes a winning team.

Knights Are 1st Runners-up

Led by coaches Ken Ivy and Thomas Ludley, the Knights raced to a 36-2 season record. This is the best record ever made by an area team. The Knights also took the district title for the first time in our school history.

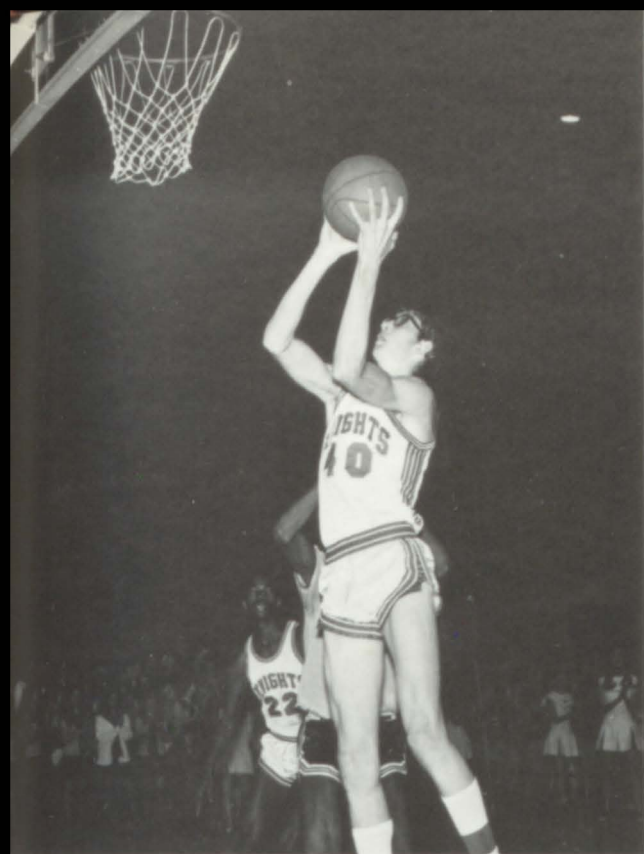

The team's leading scorer was seven-foot Robert Parish with 881 points for the season. This broke the old school record held by Larry Davis, who played on the Knights' last state championship team in 1969. Seven of the Knights will be graduating this year. The only two returning will be Parish and Smith.

What was slated as the battle of the giants turned out to be one of the best games of the season in Louisiana. The game was the semi-final game against Booker T. Washington of New Orleans. The Knights were behind by 11 points when Parish fouled out in the third quarter. Big Red then dug in and got going to come back and win 79-73.

The only losses of the season came against Haughton in the middle of the season, and against Brother Martin in the final game of the state championship playoffs.

These boys are trained to fill the positions left vacant by the senior varsity players.

After losing the first two games of the season, the Knights came back to wallop Texarkana 85-56. They won district games with Linear, B.T. Washington, Southwood, Bossier, Airline, and Byrd. The last three resulted in close games.

The Knights practiced many long, hard hours during sixth period and after school preparing for their opponents and achieved their reward by having a winning season.

Knights Develop Skill in '70

The 1970 Woodlawn Knights baseball team compiled a 7-11 overall record. The Woodlawn Knights biggest wins came in the first two games by downing North Caddo 10-3, and bombing Texarkana 11-6. Other Woodlawn victories in 1970 were 7-6 over Captain Shreve, 5-1 over Jesuit, 9-5 over Northwood. The last win was over Bossier by a score of 7-4.

Wayne Barrett, third baseman for the squad, led the Knights in batting with 20 hits and a .385 batting average. The Knights also had six other batters with an average of .300 or better which helped the Knights to a fine team batting average of .267.

Coach Thomas and Coach Rambin led the Woodlawn Knights through the 1970 season. This was Coach Rambin's first year at Woodlawn, and Coach Thomas's first year in baseball.

Cindermen Have Competitive Season

The track team received a new coach this season. Replacing Coach Morrison was Coach Joe Raymond Peace. Coach Peace guided the team through a very competitive season.

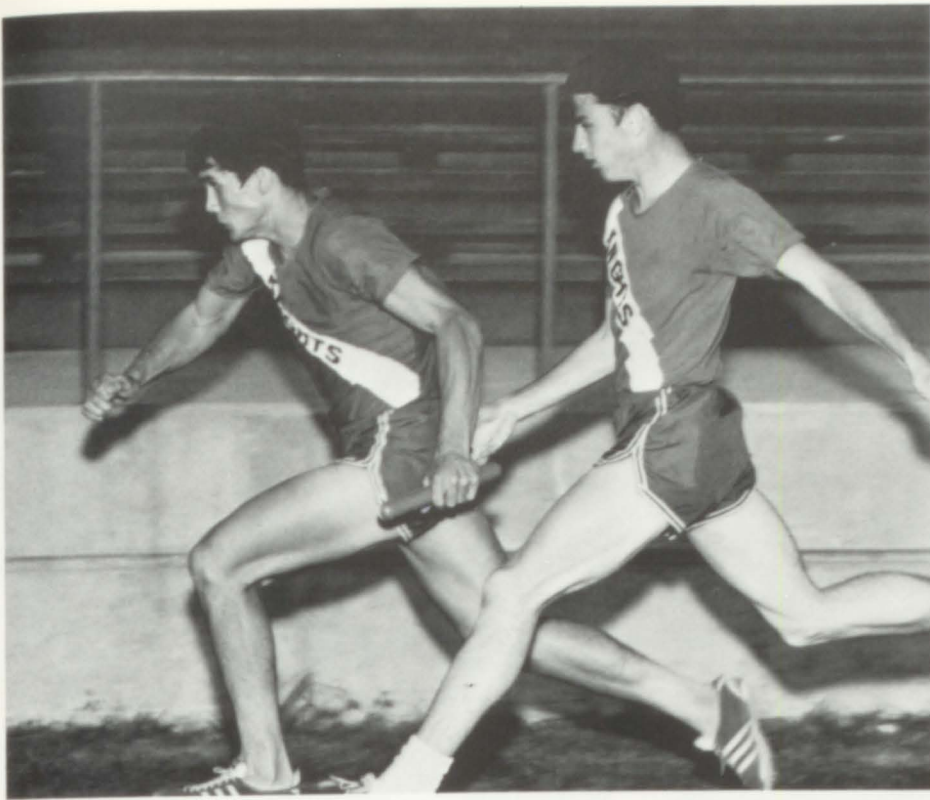

The Cindermen are defending district champions. The Knights took second place in the Fair Park Invitational this year.

Returning from last year were Dan Hall, Don Hall, Skipper Morgan, Skipper Young, Winston Hedges, Mike Jones, Joe Thrash, Richard Gertson, and Buzz James.

In the state meet, Ronnie Bamberg captured the javelin championship title. His best effort this season was 215 feet. Skipper Morgan came in fourth place in the 440 yard dash. He has a 49.0 in his legs in the mile relay. Harold Porter broke the 100 and 220 mark and Steve Rodgers broke both hurdle records.

Cheerleaders Set Lively Pace

"Two bits, four bits . . ." are the words of the lively six when they set the pace for the pep squad, basketball and football players, band, and student body.

These six versatile girls started practice during the summer and worked on their cheers for long hours in preparation for S.M.U. Cheerleader School. They received all blue ribbons and the spirit stick at the Methodist University.

The W.H.S. cheerleaders grew close and learned to work well with each other as they put up posters and decorated the stadium each week. Before every game the lively six sent the football players postcards wishing them luck and giving them an added boost.

Woodlawn is very proud to have cheerleaders that are dedicated and that have such pride in their glorious school.

Colonel Carla Quinn and Lt. Colonel Judy Posey, the two top officers of the Woodlawn pep squad, lead one of the largest pep squads in the state.

Lancerettes Boost Spirit

This year at the castle the Woodlawn Lancerettes have boosted and supported the spirit at all athletic events of the year.

Adding in the inspiration and spirit, the pep squad wears new uniforms. All Senior officers wear royal blue jumpers while the colonel wears white. The junior officers and members wear a bright red uniform. The jumper and blouse is worn in early fall and the jumper and sweater is worn later in the year. During basketball season the pep squad wears the jumper with a sailor collar. Any girl would be proud to wear such a uniform.

At the end of the year the Lancerettes feel that all their time and efforts were well spent when the awards are presented and the offices announced at their annual banquet.

Girls' P.E. Classes Develop Skill

Physical education is any girl's favorite subject. Many sports are offered such as archery, softball, basketball, tennis, modern dancing, and volleyball. Girls' gym classes also include games such as bowling, ping pong, shuffleboard, and horseshoes. The girls acquire ability and knowledge of these games and sports. The girls are given skill tests to determine their ability. Written tests are given to test their knowledge of the sport. Each girl must also have a six week's course in health or first aid.

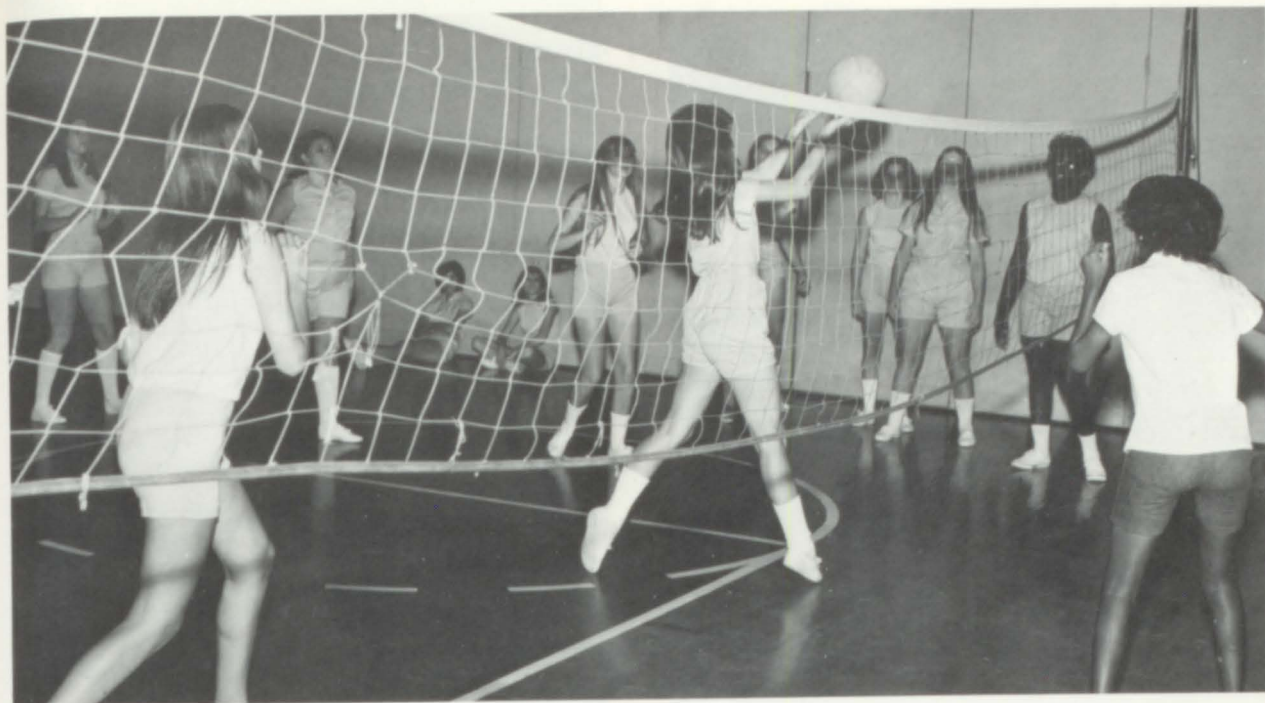

New one-piece uniforms were added to the girls' P.E. department this year. These uniforms have given the classes a sharp appearance. The girls' physical education classes strive to develop sportsmanship as well as physical fitness. All girls — whether they are a sophomore, junior, or senior — enjoy going to P.E. each day.

Basketball Is Favorite Sport For Boys

BELOW: Defensive skill is essential in developing basketball ability.

Boys' PE Classes Develop Sportsmanship

ABOVE: Coach Thomas' class enjoys basketball for one six-weeks.

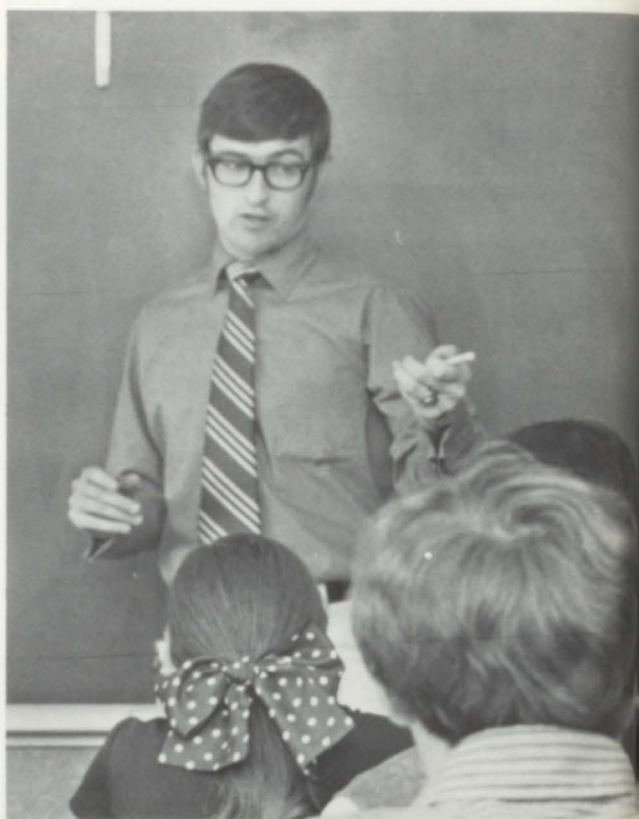

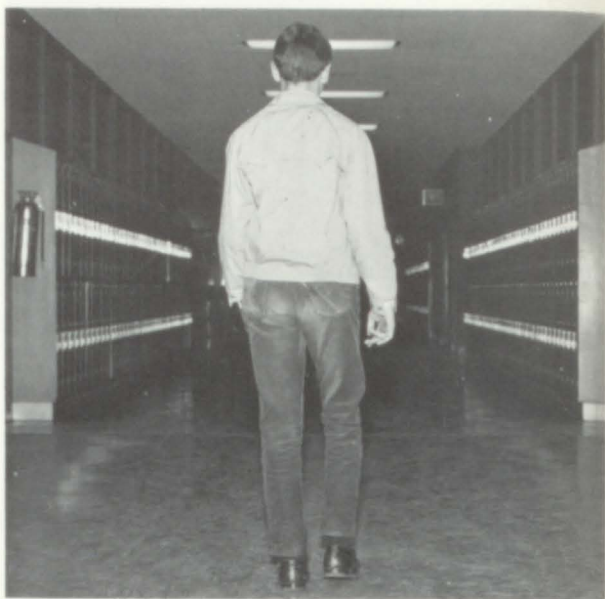

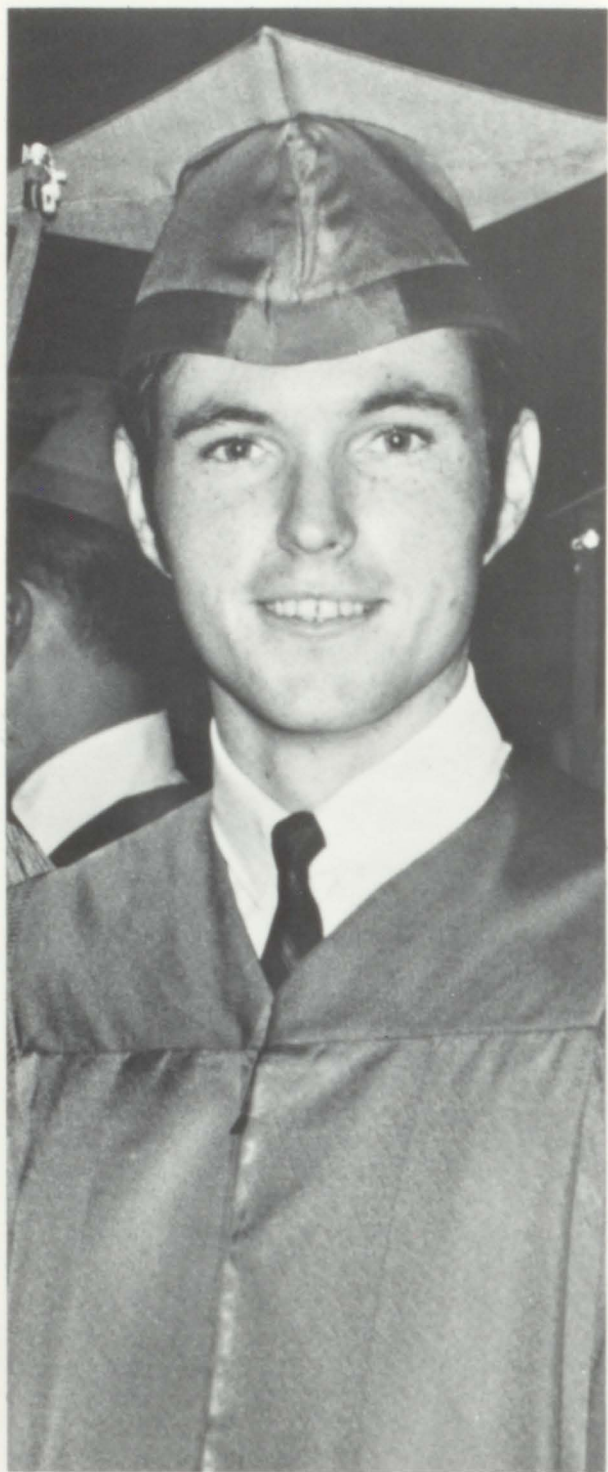

BELOW: Each team does his best to win, as great rivalries are developed among the boys in PE classes.

Education of a student would not be complete without training that contributes to his health and physical development. Thus the physical education classes are designed to develop emotional maturity, good moral values, and physical skill. Students are required to take a course in health which teaches first aid and healthful methods.

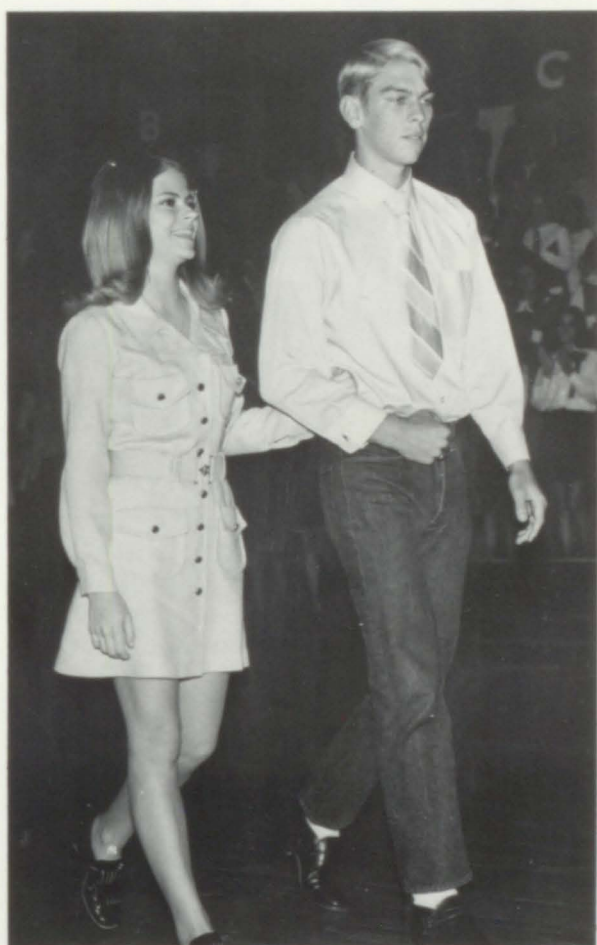

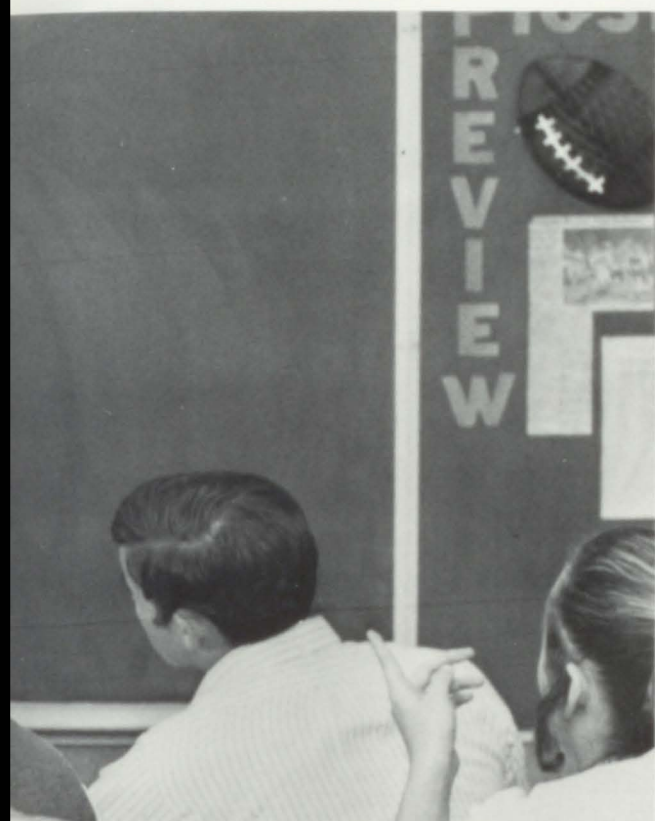

Developing stamina by running track is an important part of the physical education program at Woodlawn.

Editor Diane Dufour Expresses Thanks

As the school year 1970-71 comes to a close, another year in the lives of the students of Woodlawn has ended. This year marked the beginning of a new decade in the history of Woodlawn. The year brought many unforgettable experiences. These are, but memories now.

As you look through your ACCOLADE in the years to come, we hope you will be reminded of the days you spent in Knight Country.

We would like to express our most gracious thanks to Drummond's Studio, as well as to the students and faculty at the Castle. We would also like to thank our sponsors, for without their patience and understanding, this book would not have been possible.

After the Woodlawn Knights took state in football in 1968, the trophy was awarded during a special assembly. Mayor Fant, along with Congressman Joe E. Waggoner and Principal C. W. McCormick, were present to offer their congratulations to Coach Williams.

Woodlawn Salutes Clyde Fant

During the past years of Woodlawn's existence, many people have helped to shape the lives of students of the Castle. Perhaps one of the best known of these is former Mayor Clyde Fant. Known as "Mayor Clyde," he is admired by the students of Woodlawn because of his concern for the young people of Shreveport.

Mayor Fant has given many years of service to the growth and development of Shreveport. First elected Mayor in 1946, he served in that position until 1954. He was elected again in 1958 and remained in that capacity until 1970. Mayor Fant has seen Shreveport grow into a major city. Under his leadership, new industries such as Western Electric, Ford Motor Company, and General Electric located manufacturing plants in Shreveport.

As Mayor, Clyde Fant experienced many joys as he watched many of his dreams for Shreveport come

true. One of his fondest dreams was that of the River Parkway. Today, the Civic Theater, Convention Hall Annex, and the Barnwell Center serve the city, largely as a result of Mayor Fant's efforts.

Mayor Fant once stated, "In the course of serving Shreveport as Mayor, I've gotten to know so many fine people in every part of the city and in surrounding areas that I would never have met in any other capacity. When I'm no longer Mayor, I'll still have those friends."

Clyde Fant is no longer Mayor of Shreveport, but the friends he has made during the past years will not soon forget the wonderful job he did while he was in office. As a tribute to a job well done, the students of Woodlawn dedicate the 1970-71 ACCOLADE to Clyde Fant. It's our way of saying "Thank you, Mayor Clyde."

Mrs. Bordelon,
I've enjoyed being in
your class this year.
It has really made my
senior year complete. I want
to wish you the best of luck with
you are a very sweet lady. Thank-
a lot of love for helping me out. I fell in
you again for class will thank you again.
that this class will help you again.
my college years. Lots of love,
Susan Davidson
Sr. 71

Mrs. Bordelon,
I'm glad you were one of my
teachers. You were the only
I like people who are left-handed.
and I hope you have the best of luck in
the future.

God bless,
Susan Davidson
Sr. 71

Mrs. Bordelon,
I've enjoyed
being in the Speech
club a lot. I really
want to thank you for
getting me started in
extemp. Good luck
always.

Mrs. Bordelon,
I had a wonderful
year. I will always
have the greatest
respect and admiration
for you. Because I
feel that you have
the greatest ability
to teach. (and any
open-minded person
which I suppose I
am not) could
learn a great deal
from you. Bye
Good and
Good luck
you deserve it
Best.
